

MY

WILDEST

IMAGINATION

JOURNAL

Thank you for downloading the free "My Wildest Imagination Journal" printable pages. These fun writing prompt pages will help you get your imagination going. Simply read the prompt and then let your creativity take over and write to your hearts content.

Use this journal to let your creativity bring life to everything you can imagine. Let your imagination go wild and realize there is nothing you cannot do. If you can imagine it, it is possible. Just think if no one ever used their imagination. All the amazing inventions from the past would not exist.

Each page has space to write about whatever you can imagine. And, if you need more space the lined pages can be used for as much space as you need. I have also included the blank character lined pages and the stickers in separate PDF's so you can print as many copies as you like. If you only have the PDF and would like the blank journal pages and stickers [click here to get them](#). Have a great time writing and let your imagination go wild.

To print all the pages set the printer to print pages 4 -28. These files will print best on your home printer. I have found I get the closest color match this way. The cards/stickers are in a separate PDF for printing on sticker paper or your choice of papers.

This PDF includes 12 writing prompt pages, 12 blank group character pages, 1 about me page, and a cover page for your binder. Once you have printed the pages, simply use a hole punch on each page to add them to your standard US letter size 3 ring binder. You can trim the cover page and attach it to the front of the binder or get a binder with a clear plastic slip cover to slide it in.

These pages are all 8 1/2 by 11 inch. They will work on plain paper or card stock.

I am sure you will enjoy your package however, if you need any help or have any questions please feel free to email me.

Stay Happy and Creative!

Why do you want to do it?

[illegible]

[illegible]

[illegible]

Were would you go?

[illegible]

How do you think your life would be better if you knew how to do it?

[illegible]

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

A day where anything is possible.

Make a list of everything you've always wanted to do but were told it was impossible.

[illegible]

[illegible]

What would you want to plant and why?

[illegible]

[illegible]

Which planet would you want your character to be from?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

[illegible]

Describe what it would be like and why people would want to ride it.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

How would you feel?
