the | stories | who | unfold▶ | and | the | journey | ahead▲

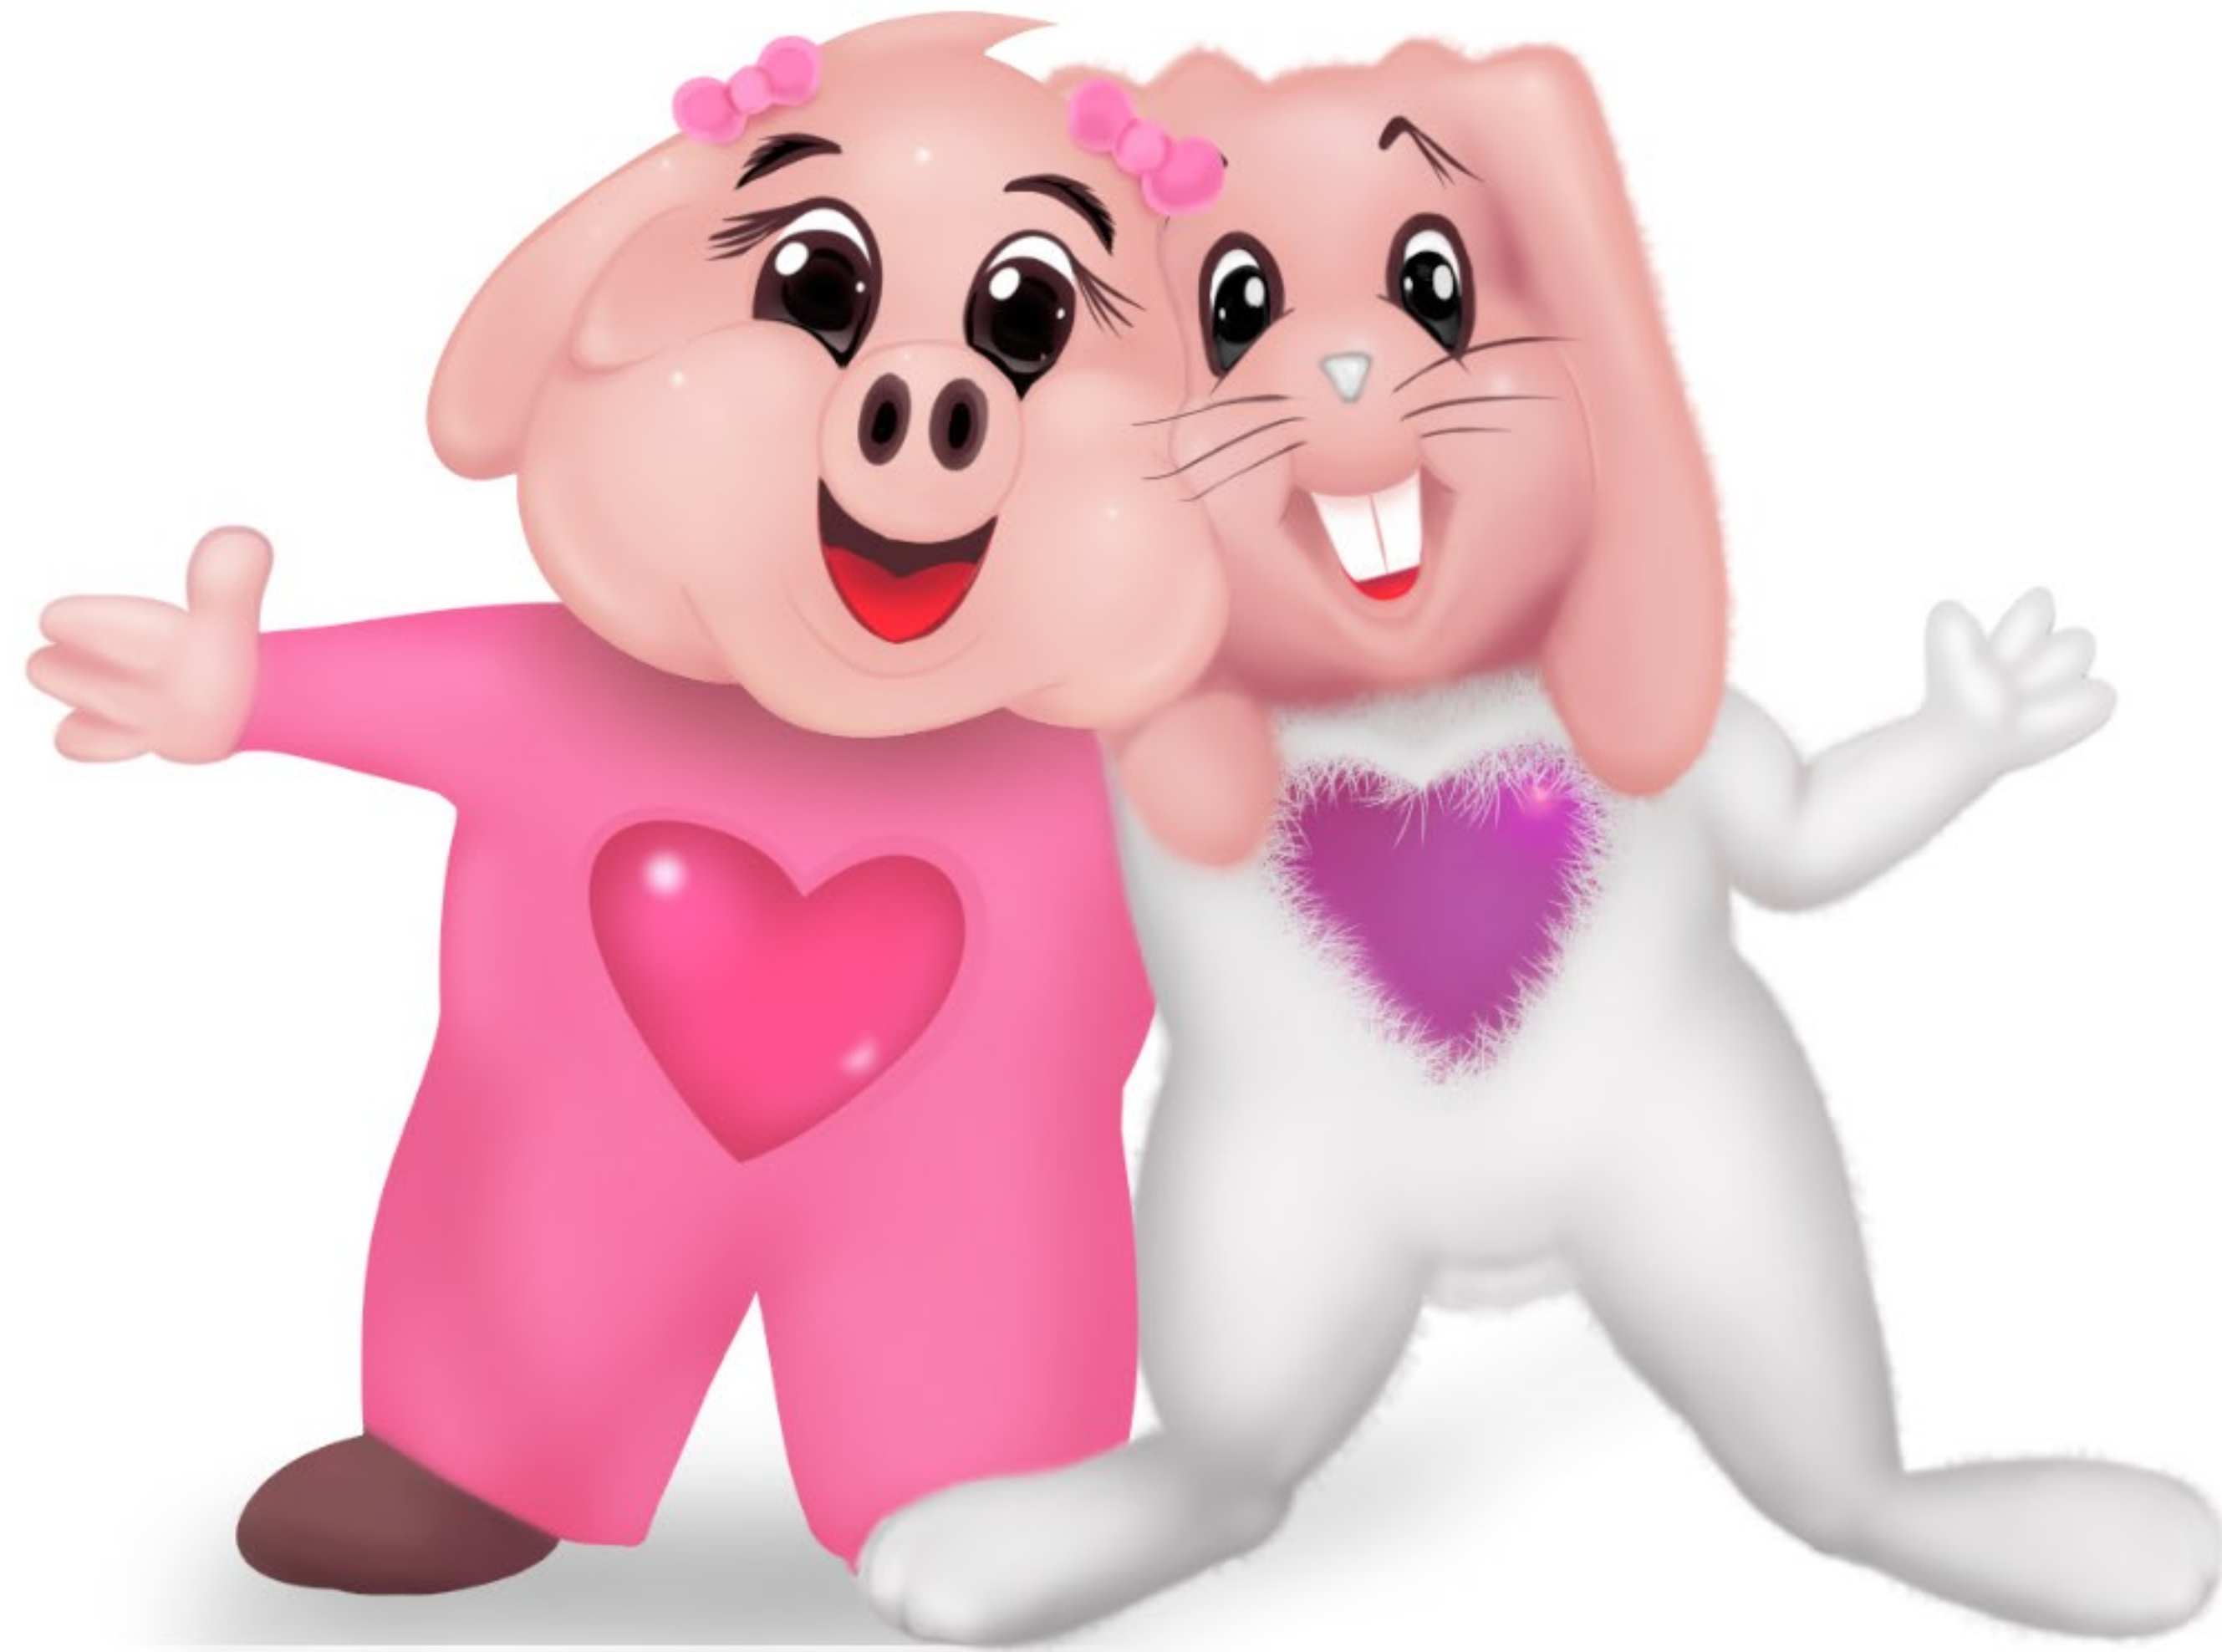

this | story | will | be | about | friendship▲

what | is | friendship?

friendship | is | when | we | think | of | one | another
and | we | long | to | meet | one | another▲

Friendship | is | when | we | want | to | do | good
for | each | other | and | we | want | to | see | our
friends | do | well ▲

friendship | is | not | here | nor | is | there▲
it's | everywhere | and | beyond | time▲

You | can | remember | a | friend | and | friendship
long | after | the | years | pass | you | both | by▲

Friendship | is | a | memory | in | our | lives ▶
a | gift | we | give | and | a | gift | we | receive ▲

friendship | is | the | most | valuable | gift
we | ever | get | in | this | life

with | this ▶ | we | hope | to | have
you | as | our | friend ▲
