

My Precious Baby Dear

by Andrea Elder

My precious baby dear,
have no fear,
your life has just begun!

With legs that jump,
and hands that Clap!
Come on, let's have some fun!

There's food to try...

...and songs to sing.
So much to learn
about everything!

You'll learn your ABC's...

A B C D E F G
H I J K L M N O P
Q R S T U V
W X Y Z

...and 1,2,3's

History and...

...Science too!

But loving yourself...

...and caring for others,
are the most important
things to do!

My precious baby dear,
let's wash behind your ear!
The day is almost done.

Now off to bed,
and rest your head,
till the light of the
morning sun.

Dedicated to Hope,
my moonface.
Love, Mommy
