It is thus published under the **CC0**.

**Hi Bam!**

Hi Amy!

**Are you catching anything?**

No, but it's fun to be up.

Yes, doesn't it feel  
great to get up early?

What are you doing today?

I'm not quite sure.

**Why don't we do something  
with May and Bob?**

Yes! Let's!  
Do you think Snim want's to join us?

I think so.  
He is done with his house.

Didn't it turn out great?  
The big blue drop?

Ha Ha  
Yes that's the one!

Shh... I think I caught something!

Well I guess not.  
That's enough for today.

Come let's go to my place  
for some carrot soup.

That sounds good!

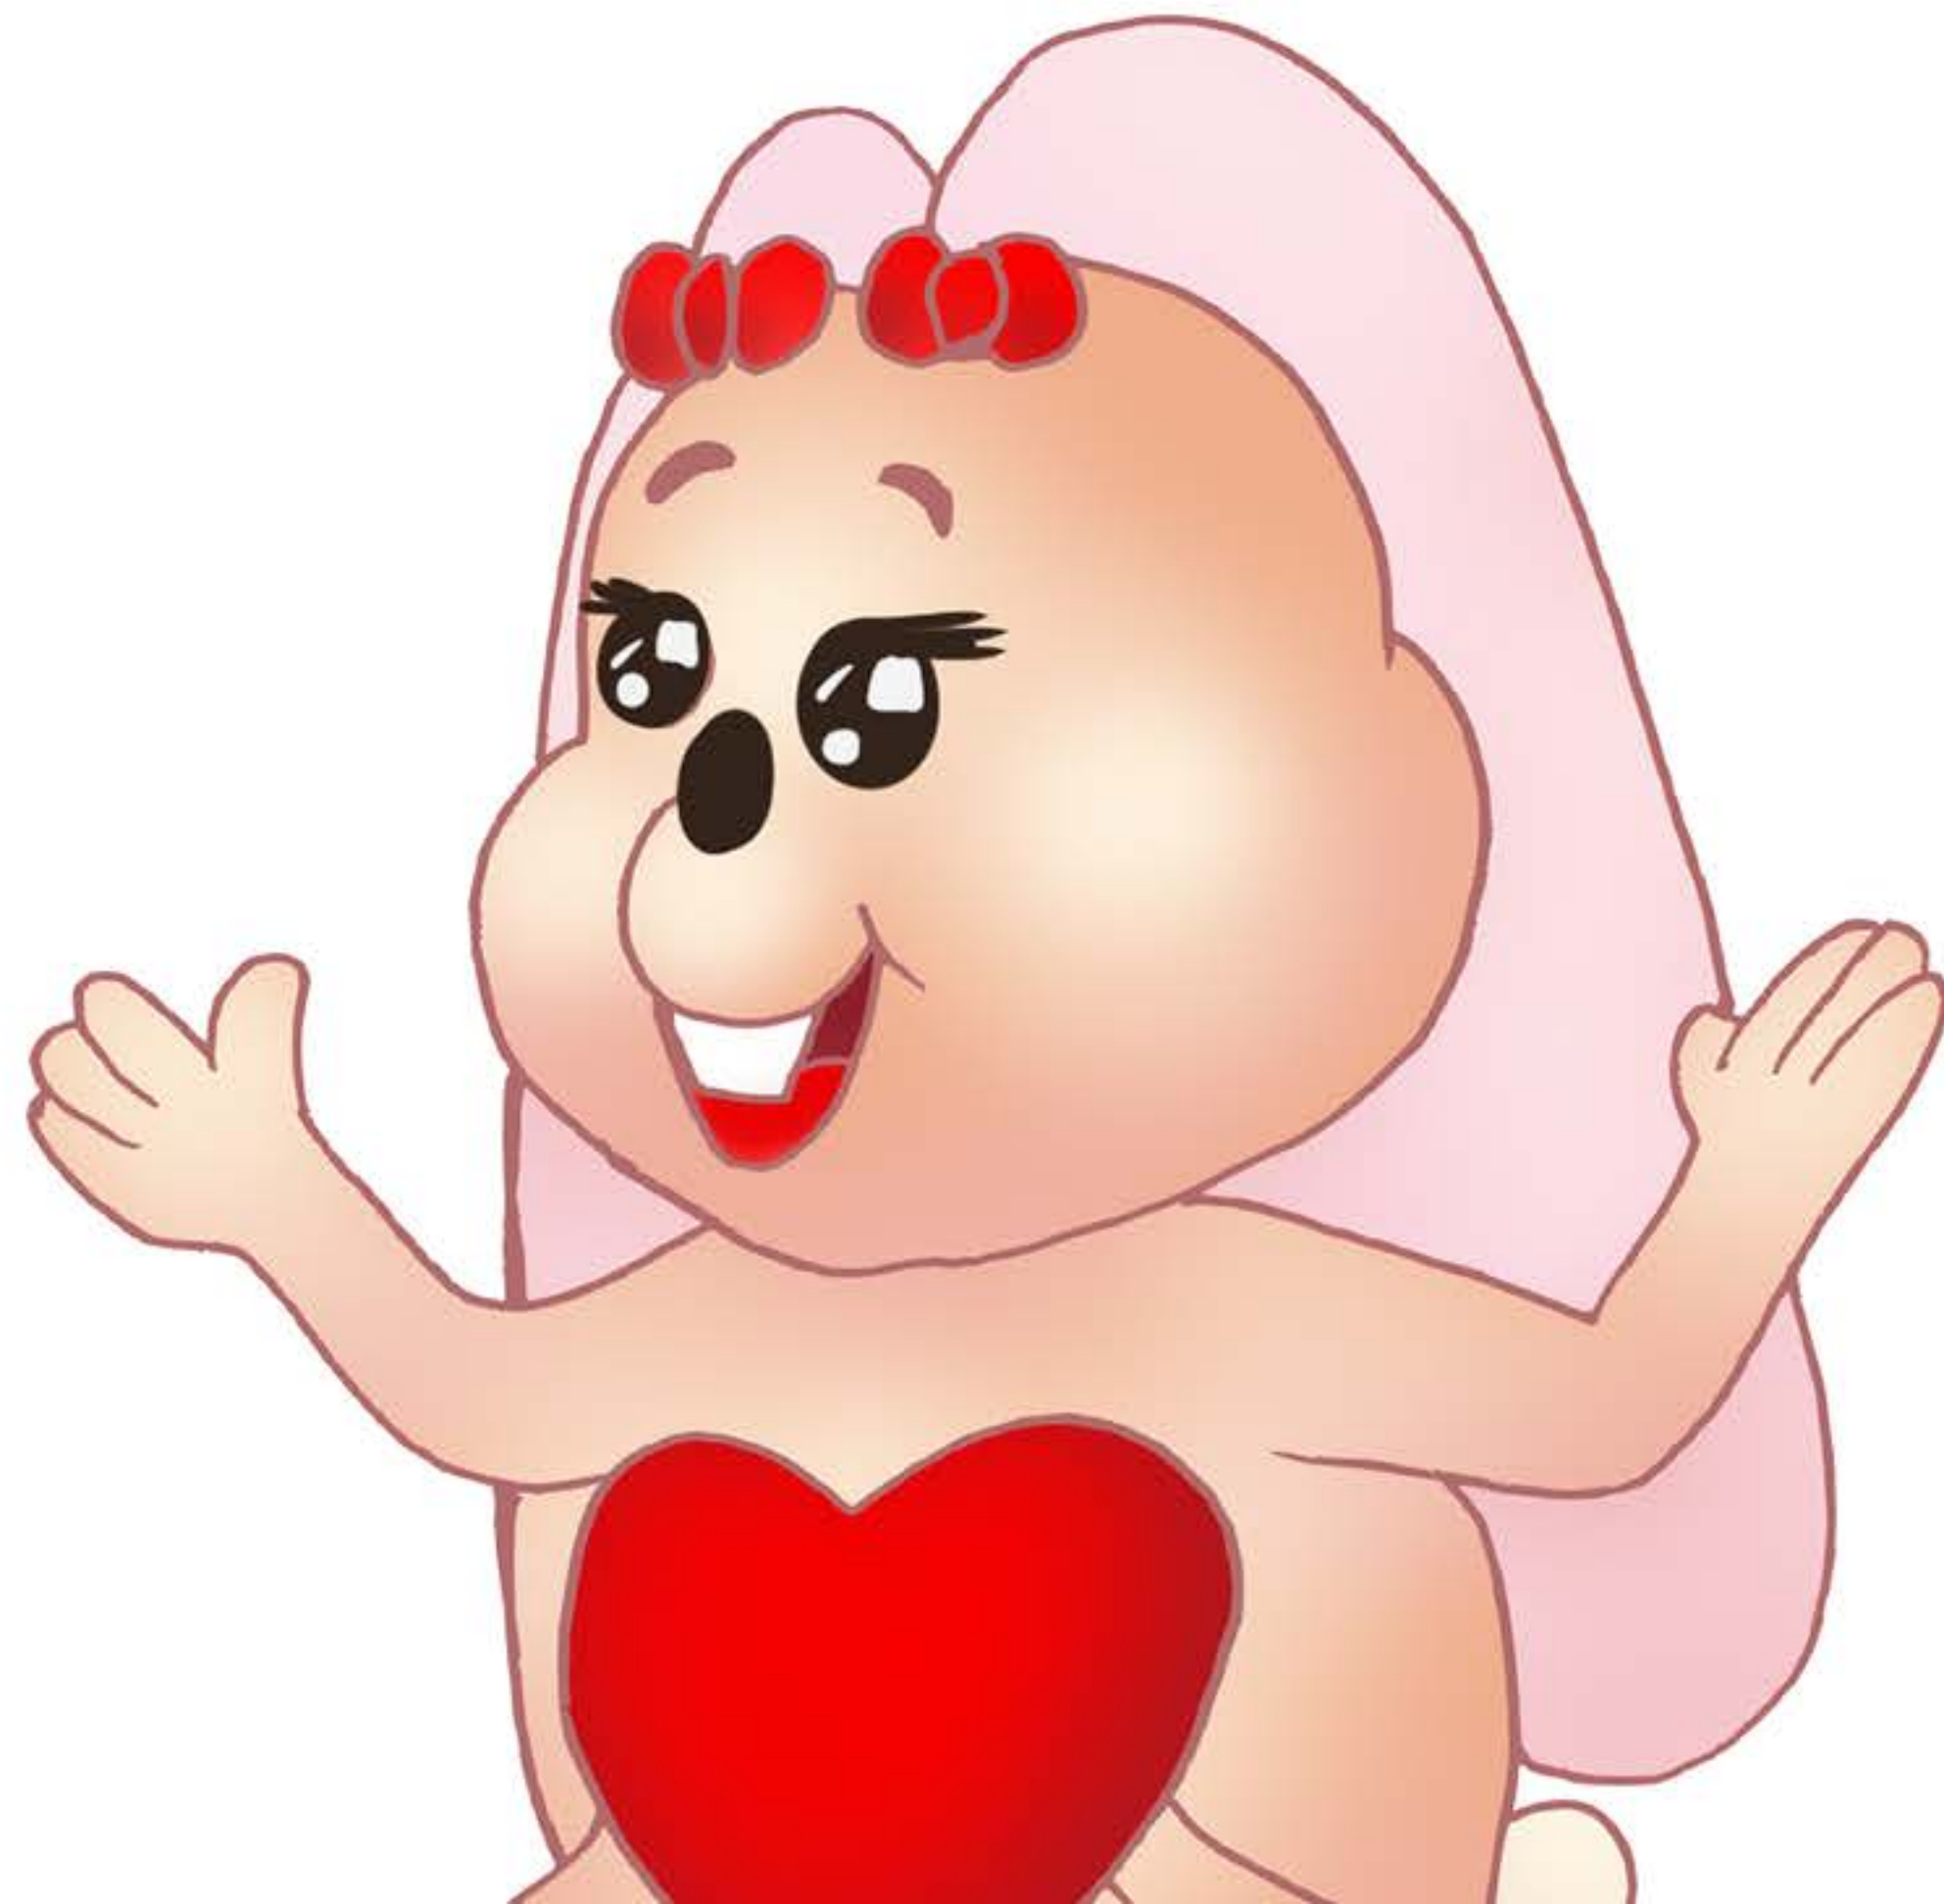

You know the blue drop, Snims house.  
I wonder if he has had time  
to fix food yet.

**What do you mean?**

I don't think his kitchen is done yet.

hmm. That's true.  
Let's drop by him with some soup.

Yes! That sounds wonderful.

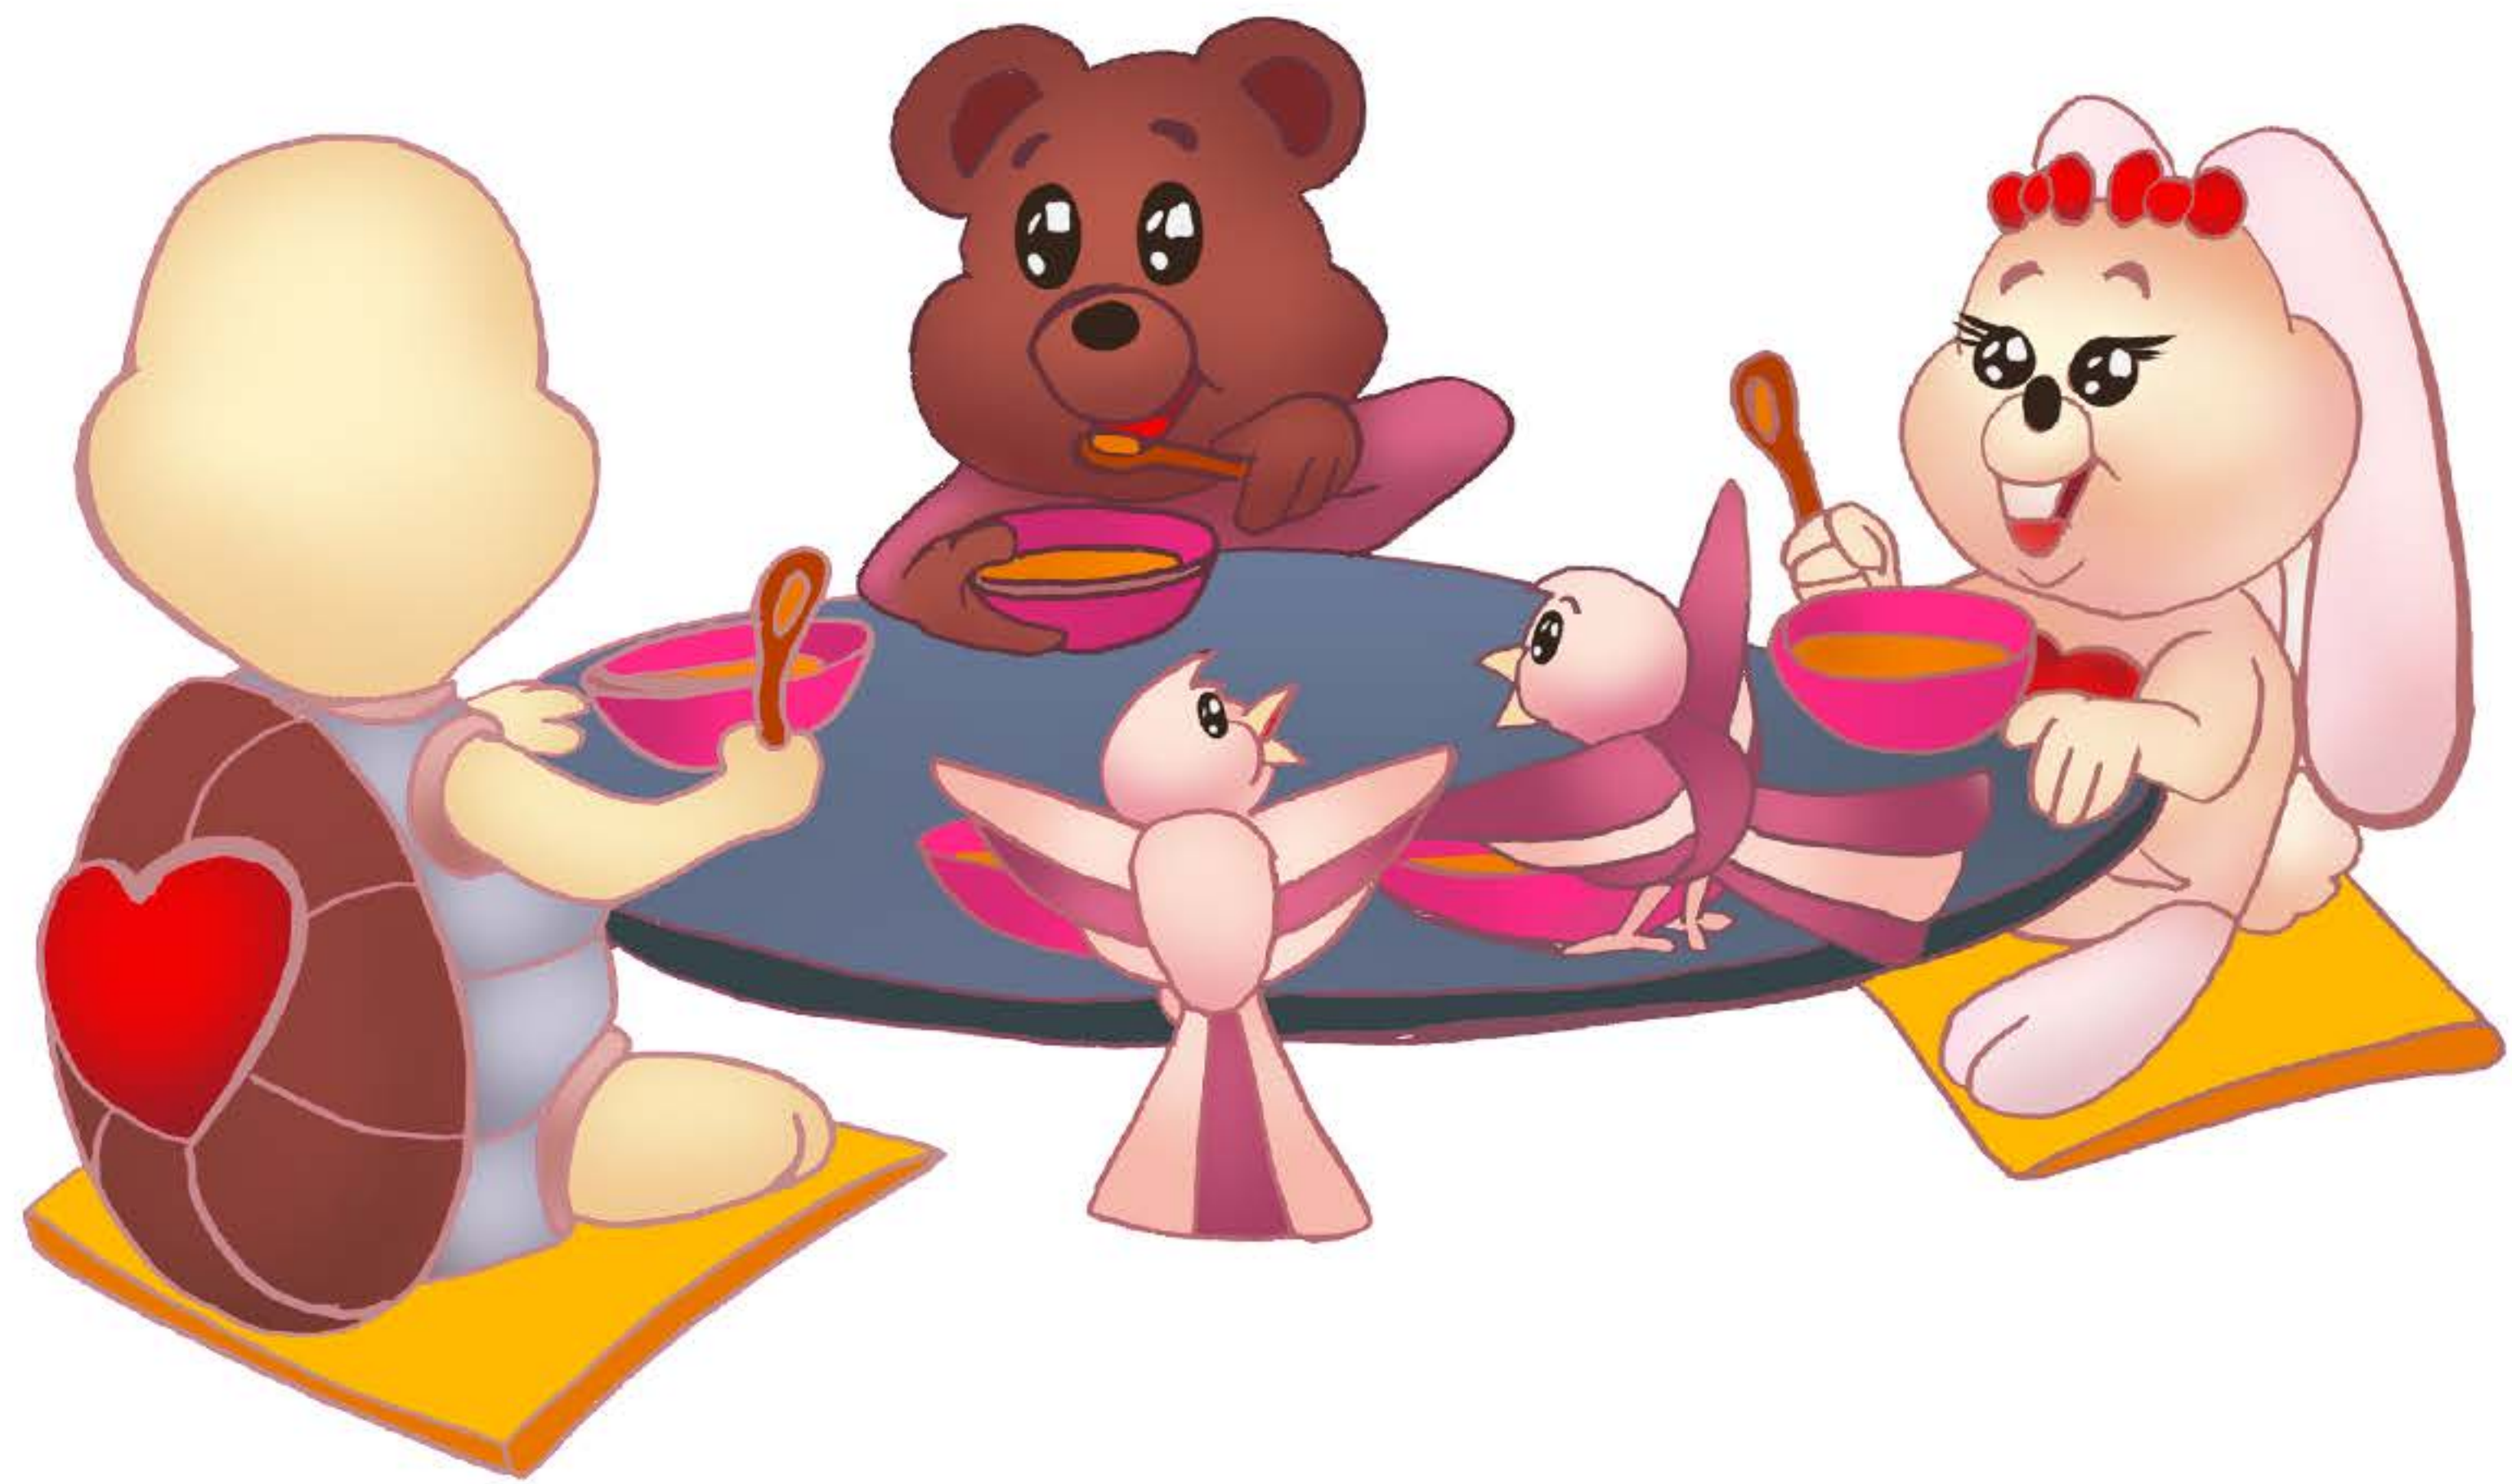

**Welcome!**  
**It's great to see you!**

Hi! Hi!  
We just visited Snim in his new house!

**What a wonderful surprise!  
This morning when I woke up  
I could never have imagined  
us sitting here together.**

Yes, well it just happened.

Friends are attracted to each other  
because they like each other.

What do you mean?

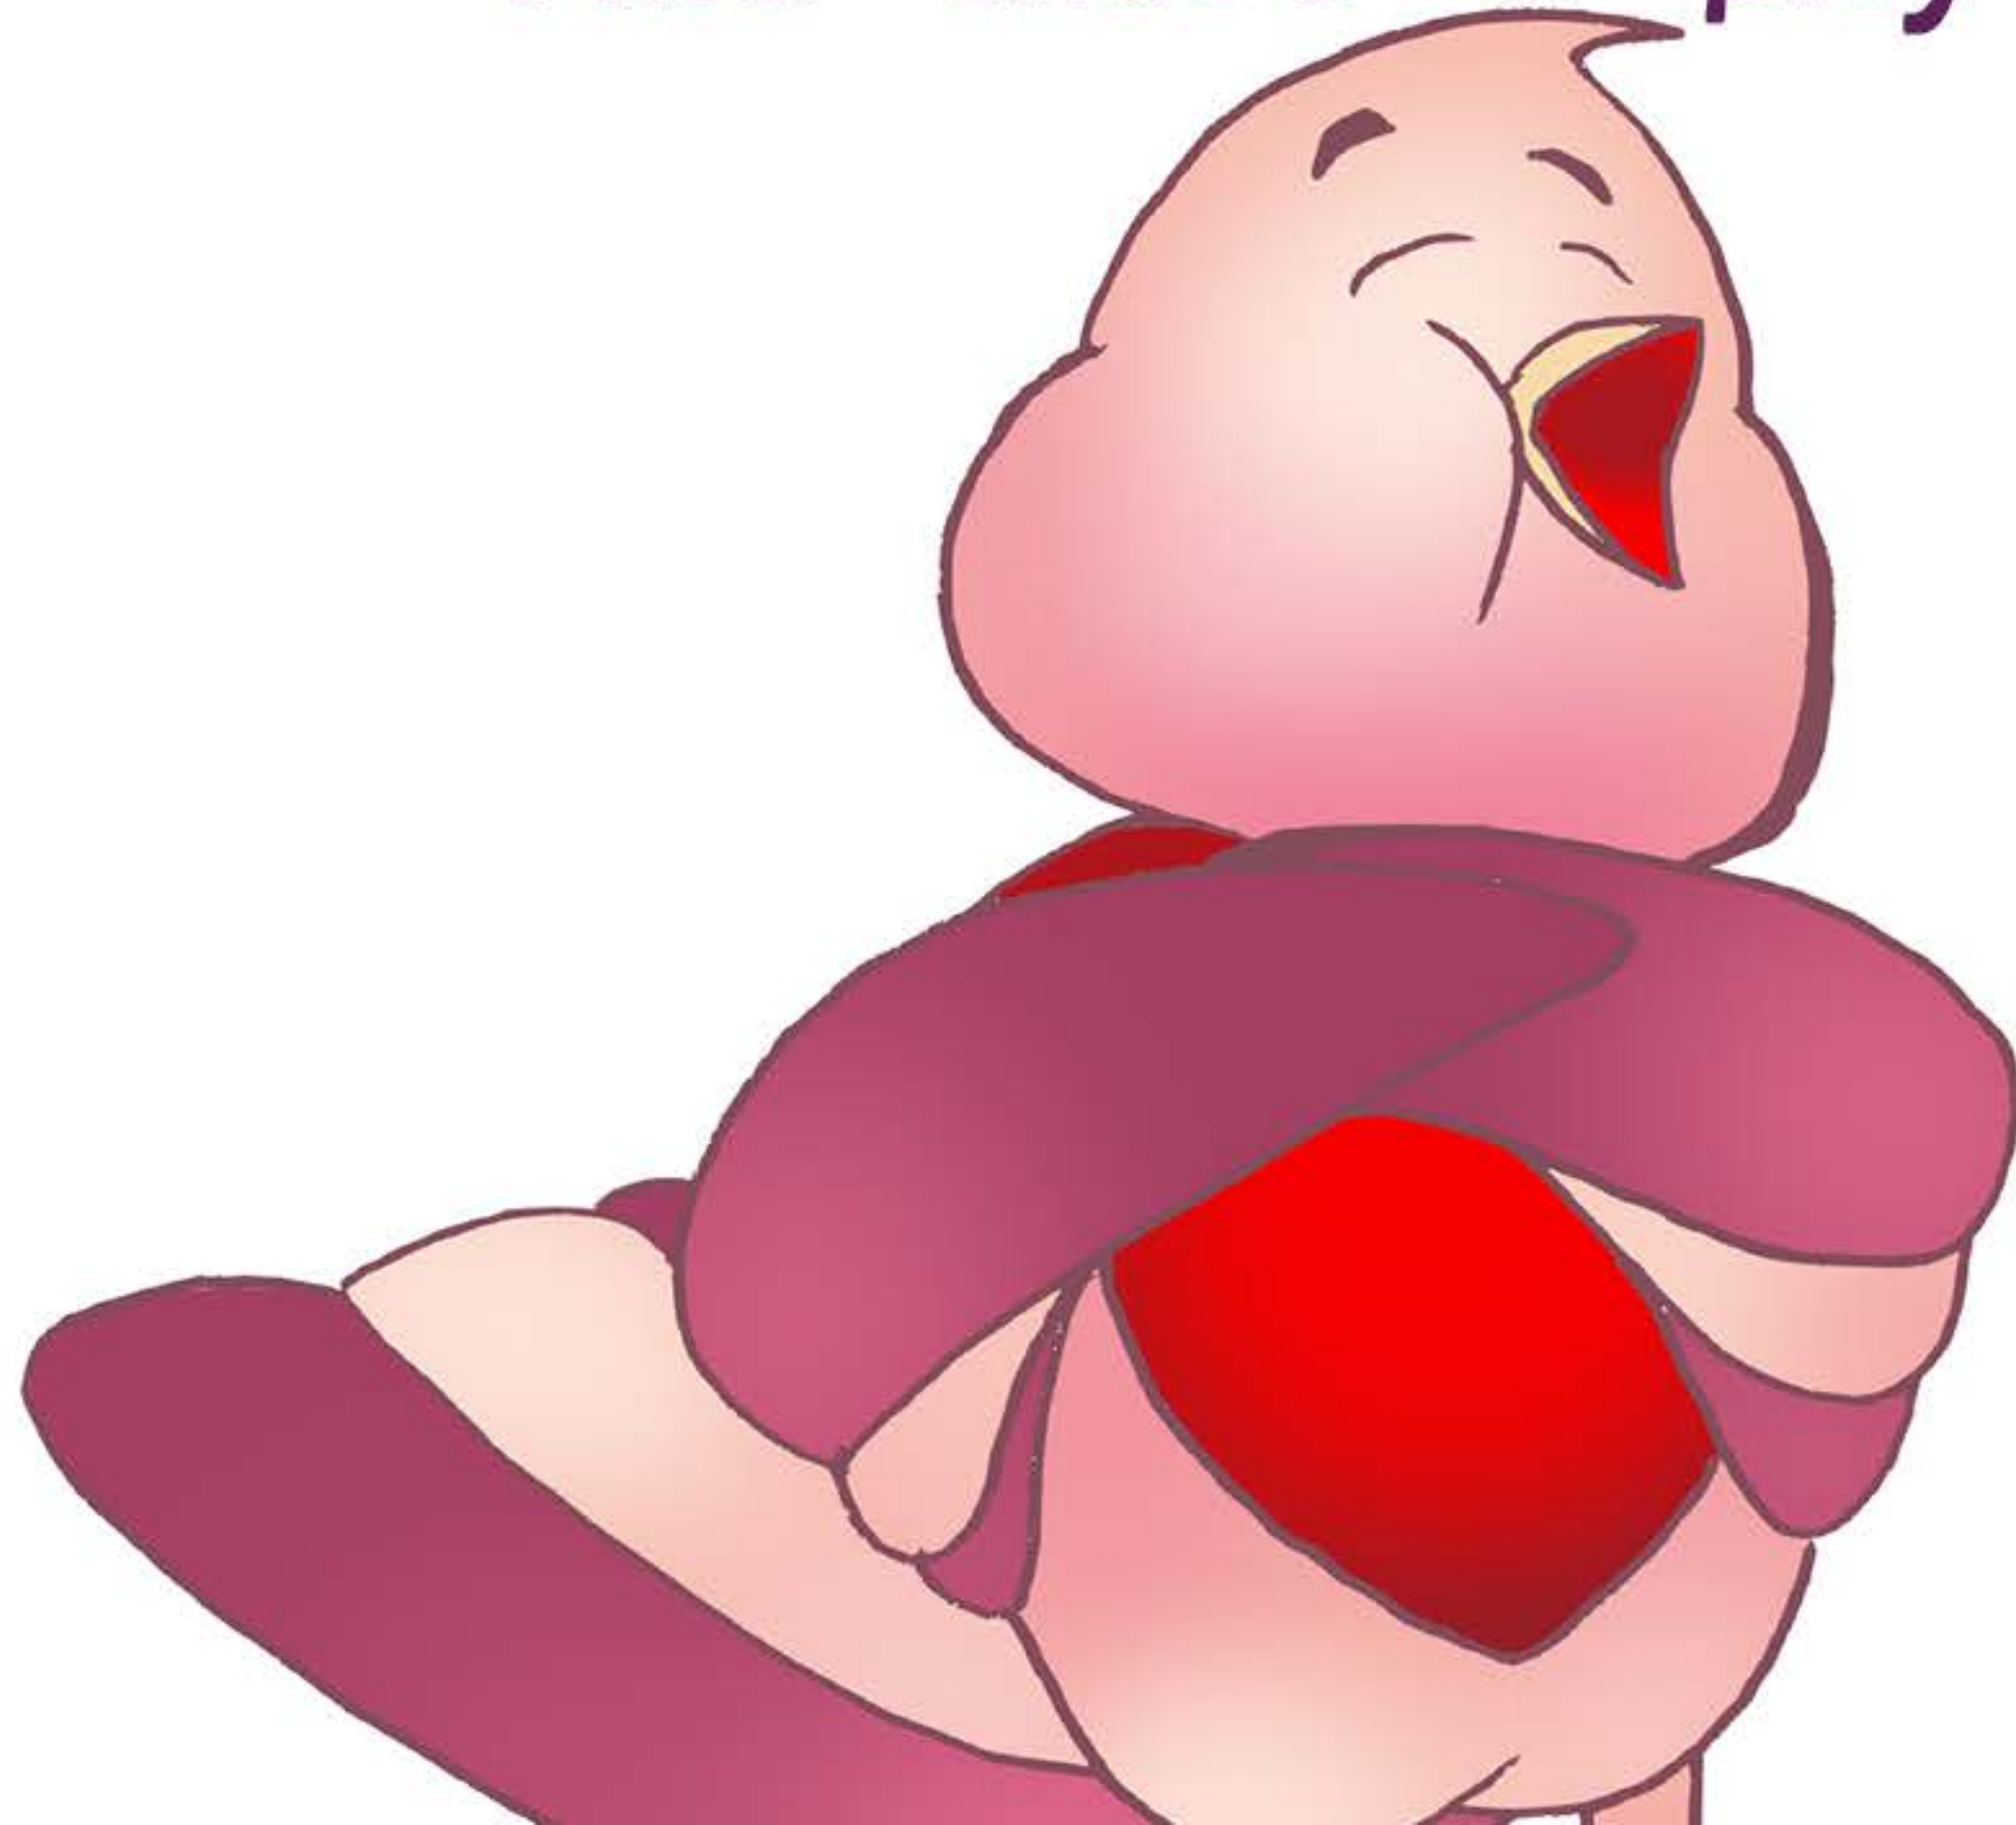

Friends think of each other and  
when you do that you find  
ways to talk or meet.

But can't you think of each other  
without talking or meeting?

Of course!  
But then no one finds out that  
you are thinking of them.  
And that's a pity ☺

We hope you have a wonderful day

and a wonderful life!♥
