Amy!

Hi!

How are you!

I'm looking for May.

Have you seen her?

No, I haven't.

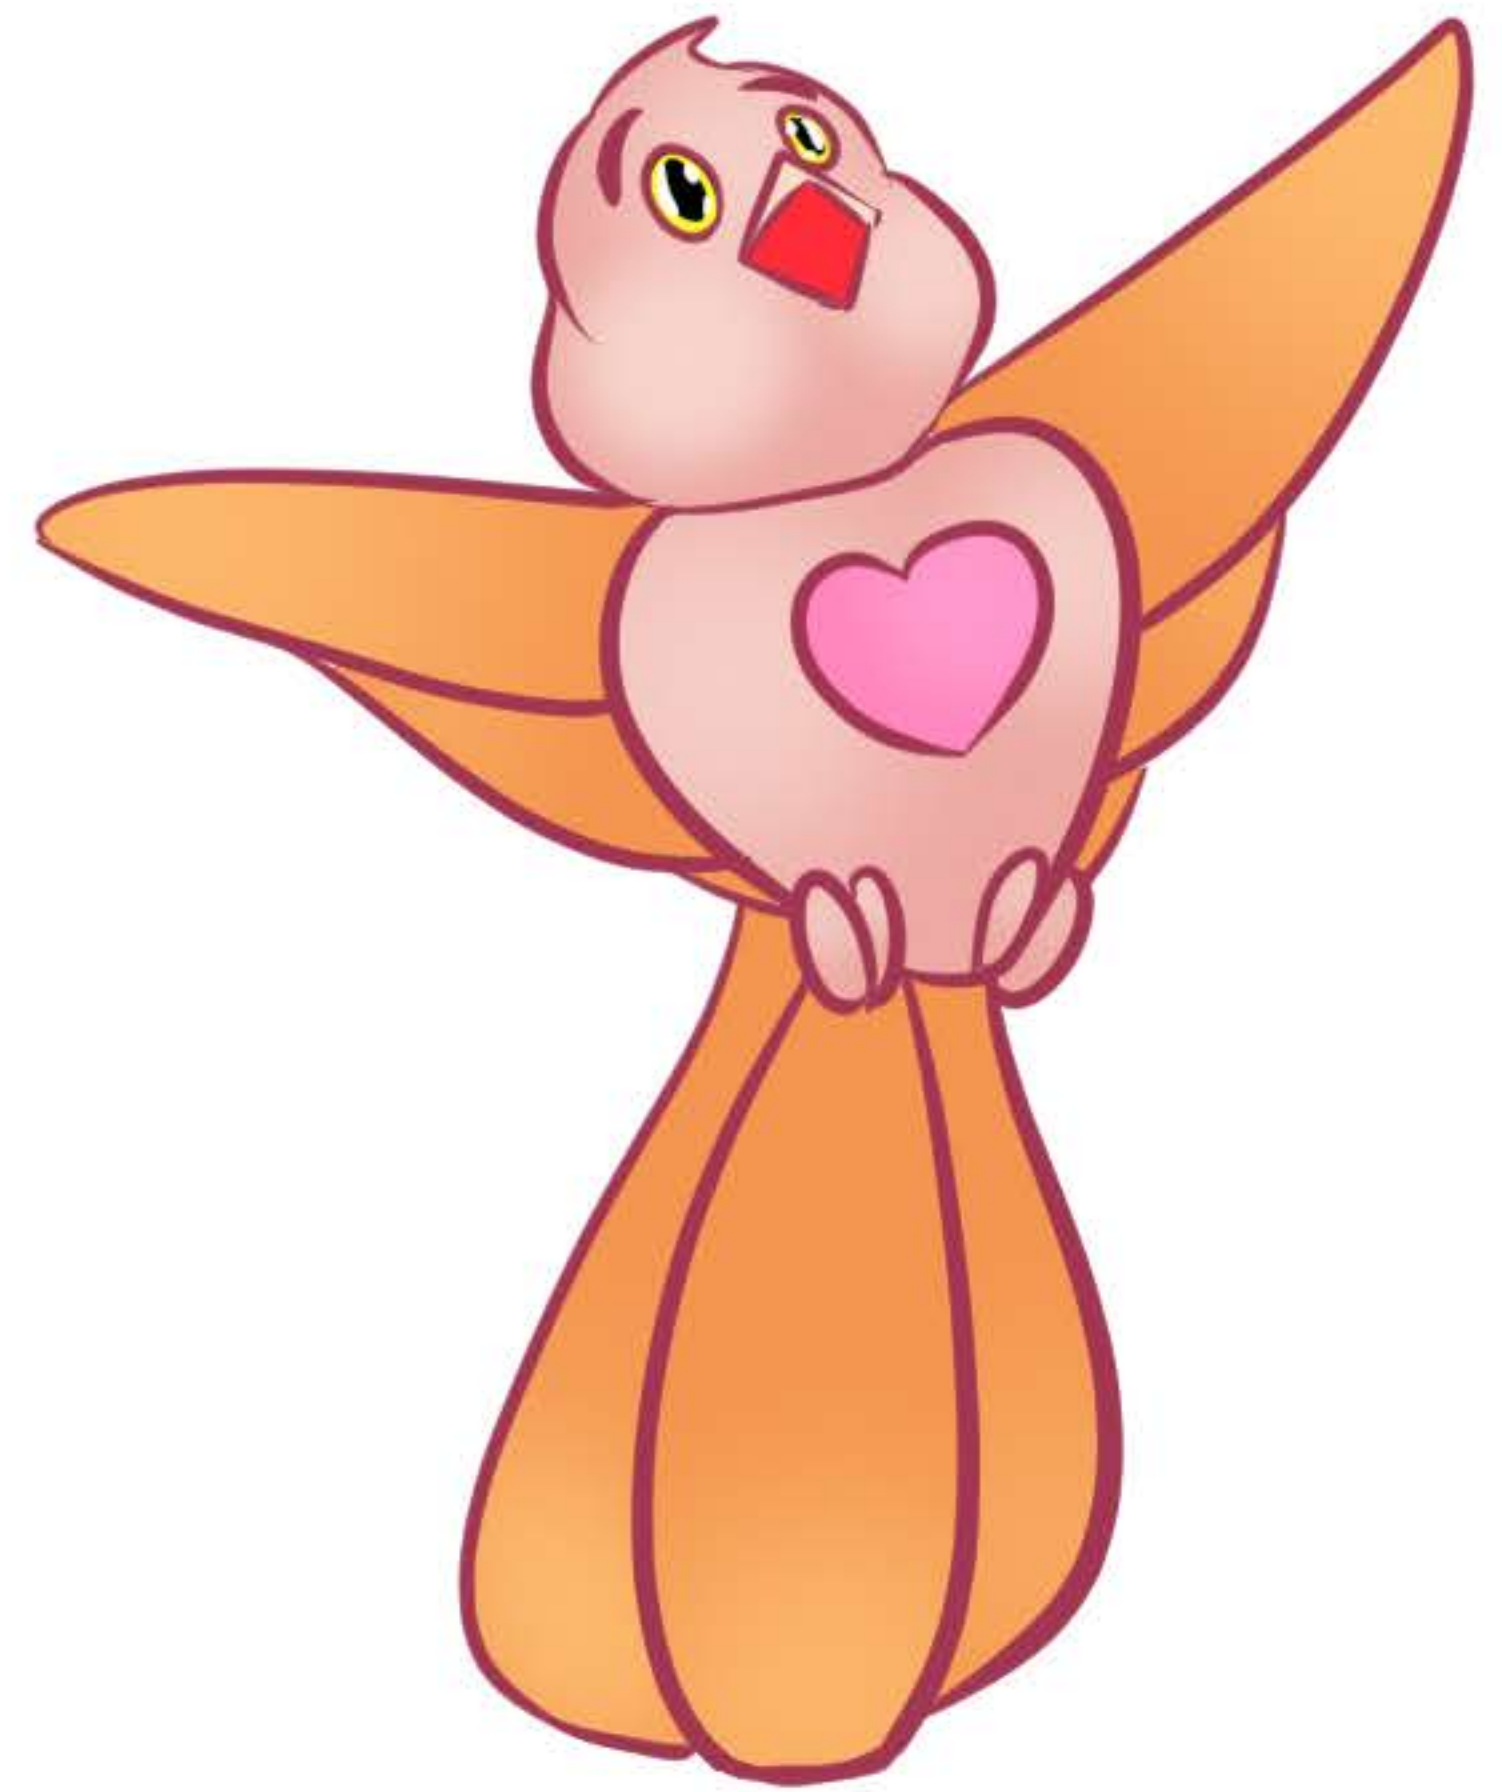

But I can help you find her.

May!

May!

Here I am!

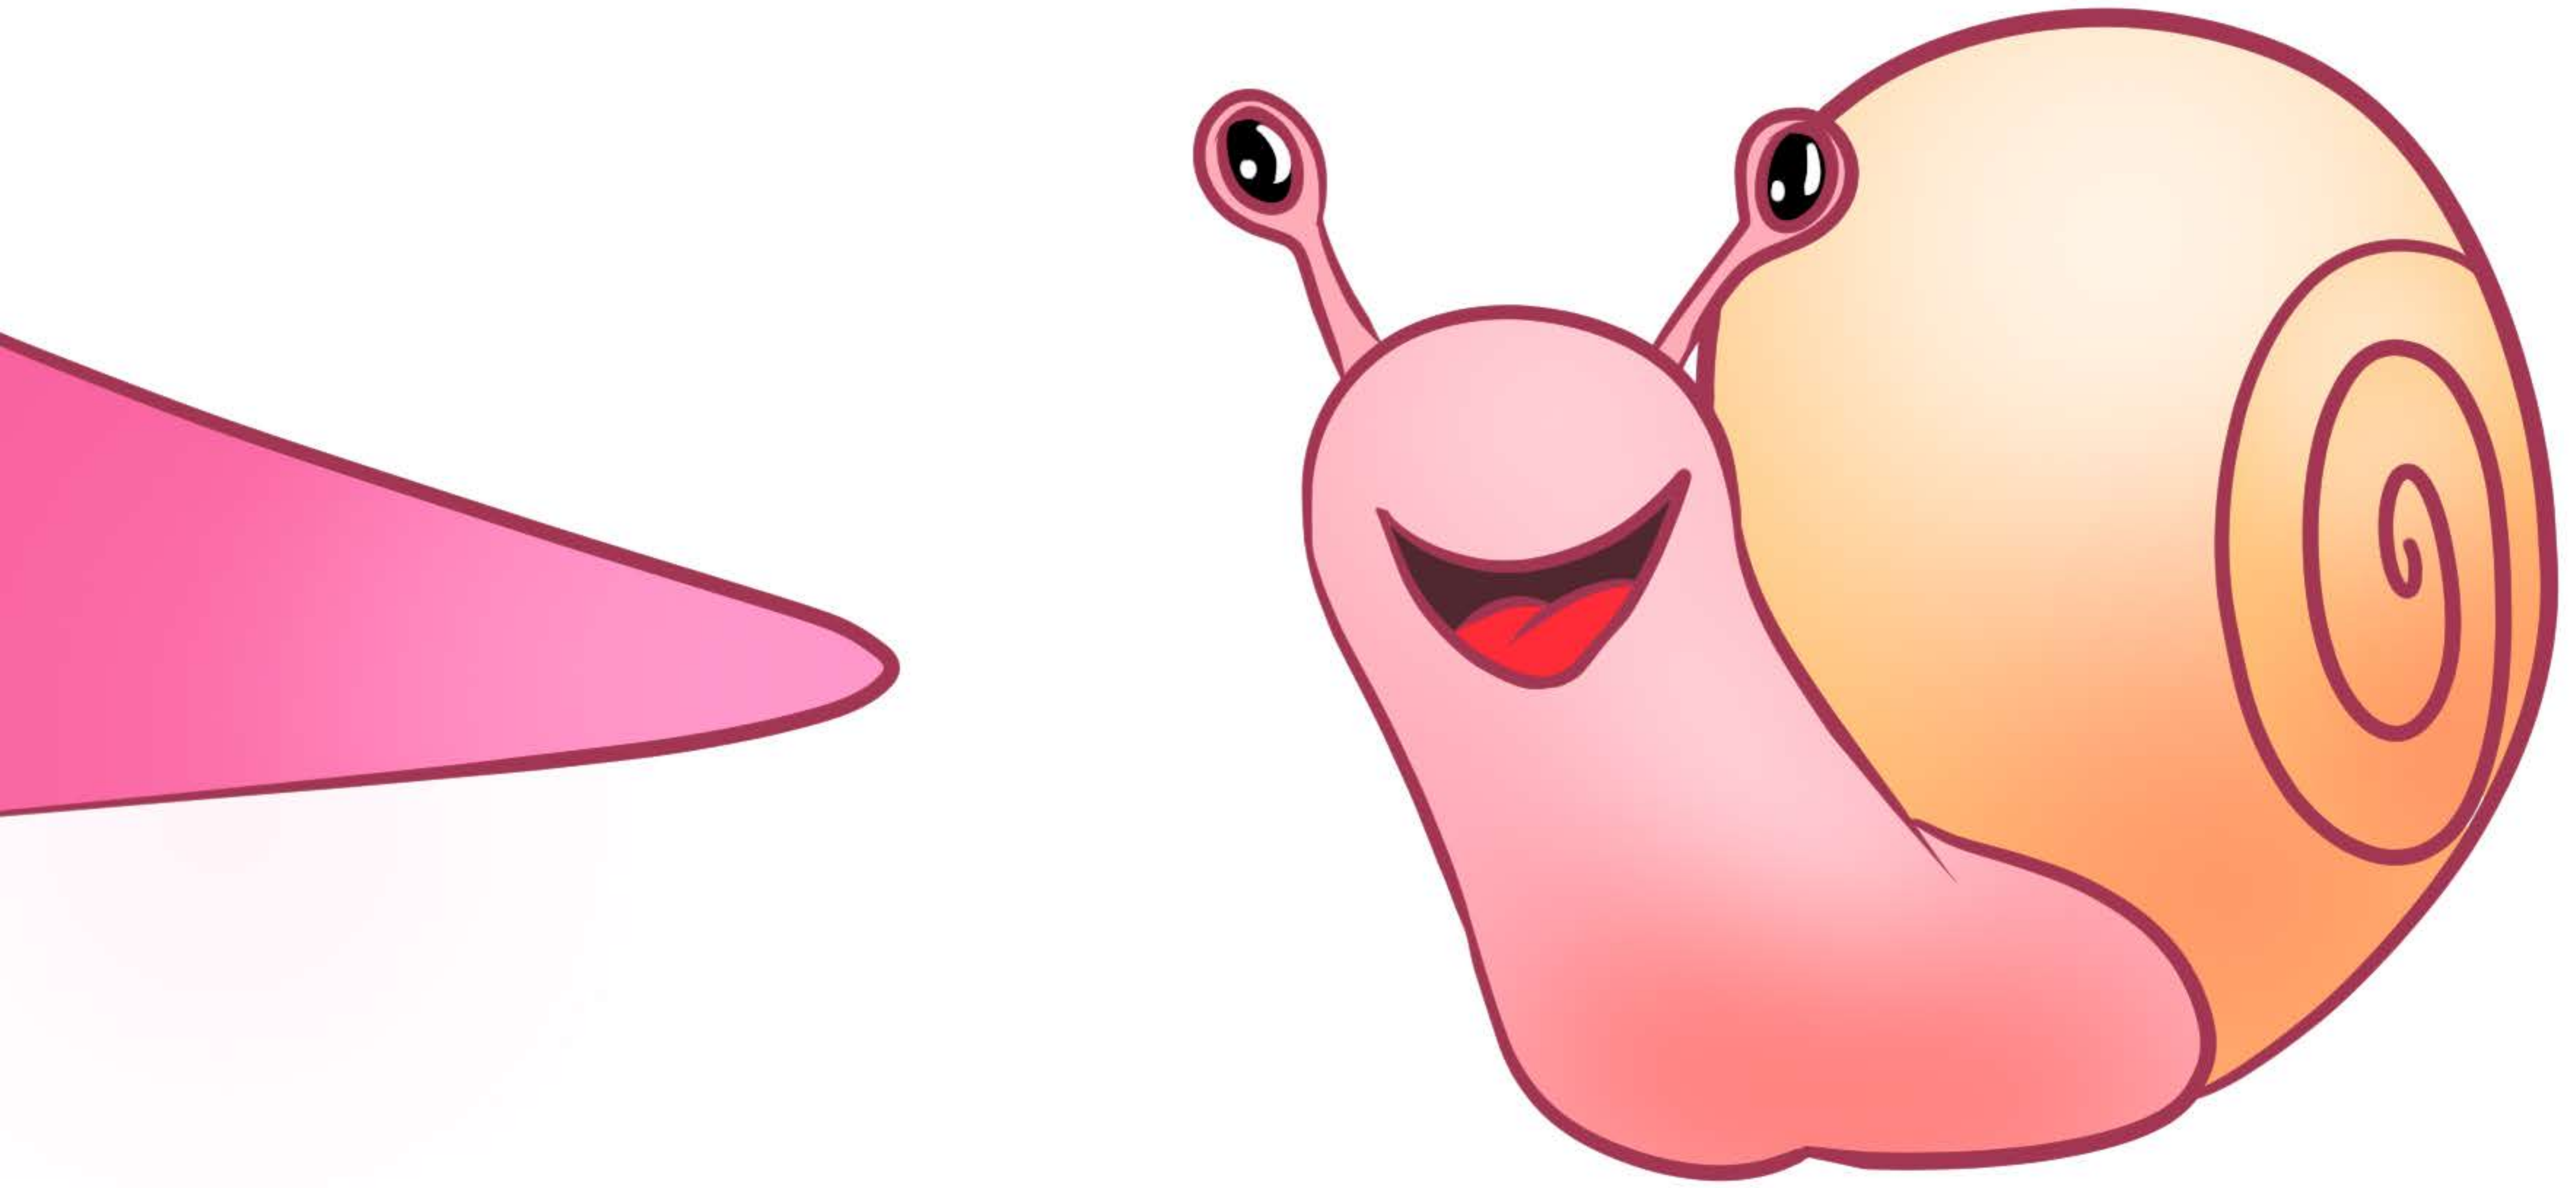

There!

Come!

What are you doing here?

I am helping this tiny snail home!

Hi everyone!

May is really kind and  
is helping me home.

Where do you live Miss Snail?

A stylized illustration of a bright blue sky with a yellow sun, white clouds, and green rolling hills. The sun is in the top right corner, with rays extending outwards. There are four white clouds: a large one on the left, a small one in the top center, a large one in the middle right, and a small one in the bottom right. The hills are green and rounded, with a dark green outline.

Over there,  
beyond the hill.

Can we help you too?

**Sure!**  
**It'll go faster if you do!**

But May, I'm not in a hurry.

You're not?

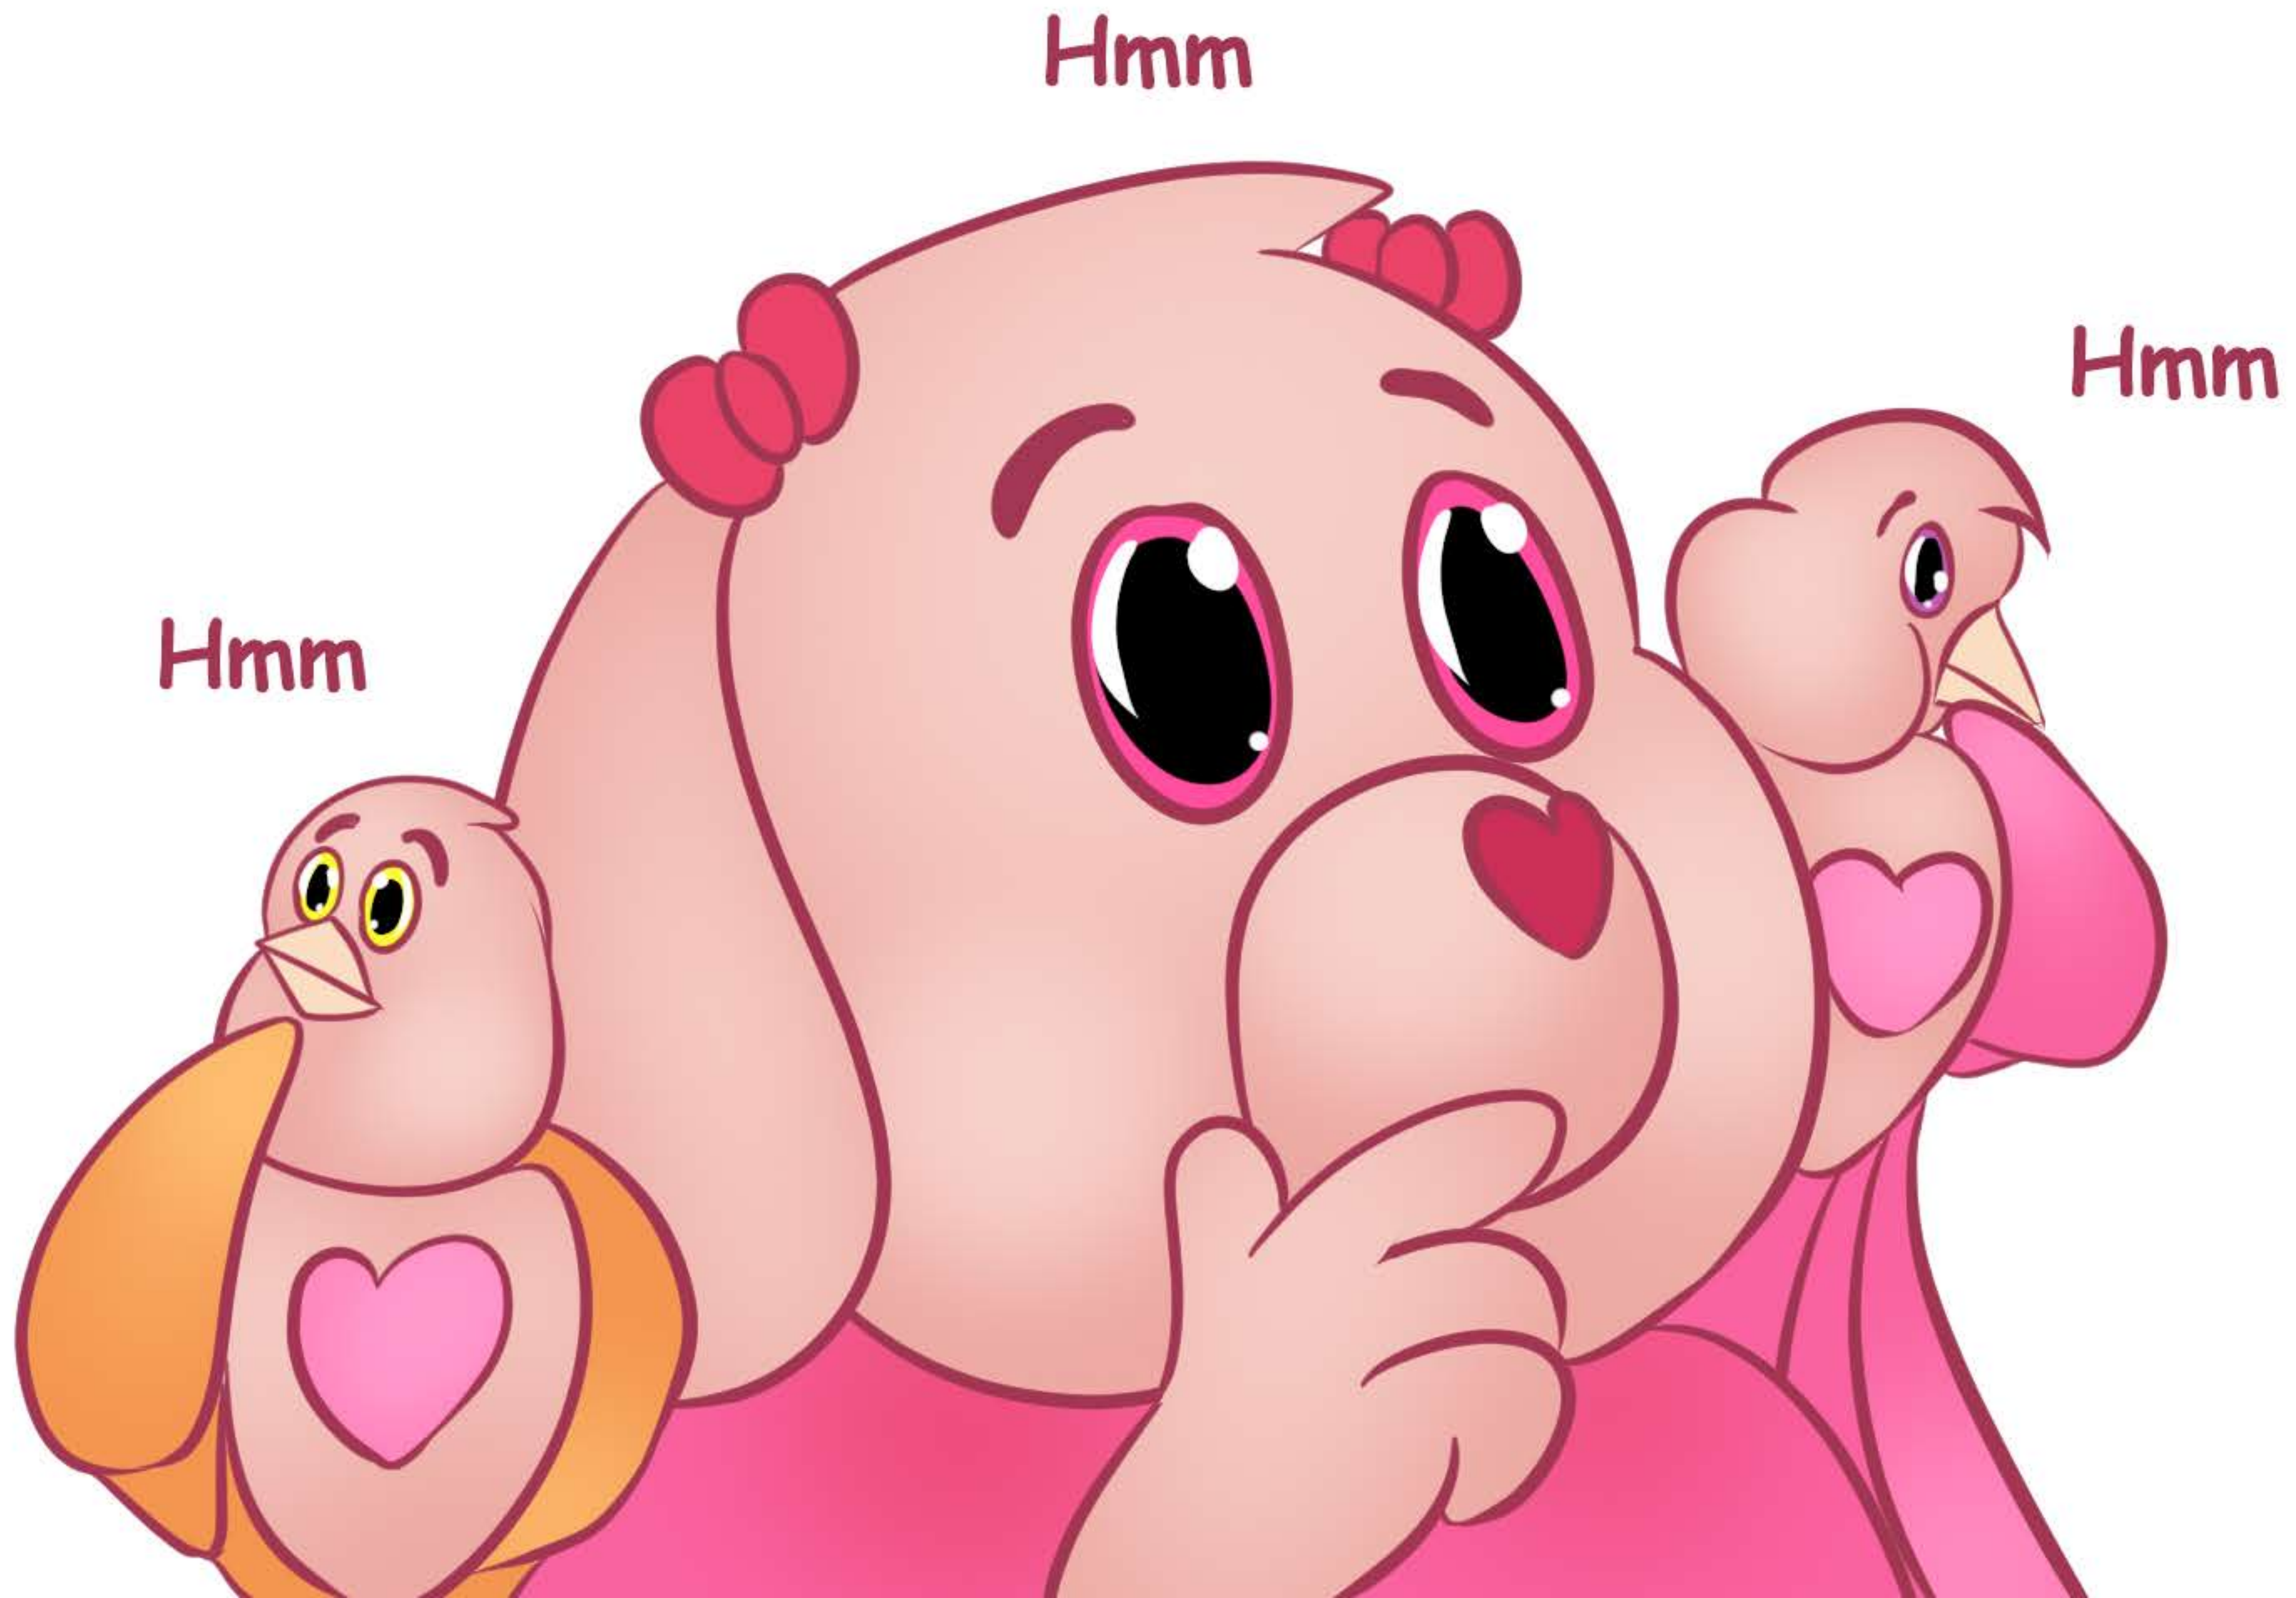

No. I let you help me  
because you wanted  
to so much.

But Miss Snail, it was taking so long for you to get home.

Yes, but it was fast enough for me.

You know we who fly, we can travel far away  
and back again fast.  
Right?

Mmm

Yes

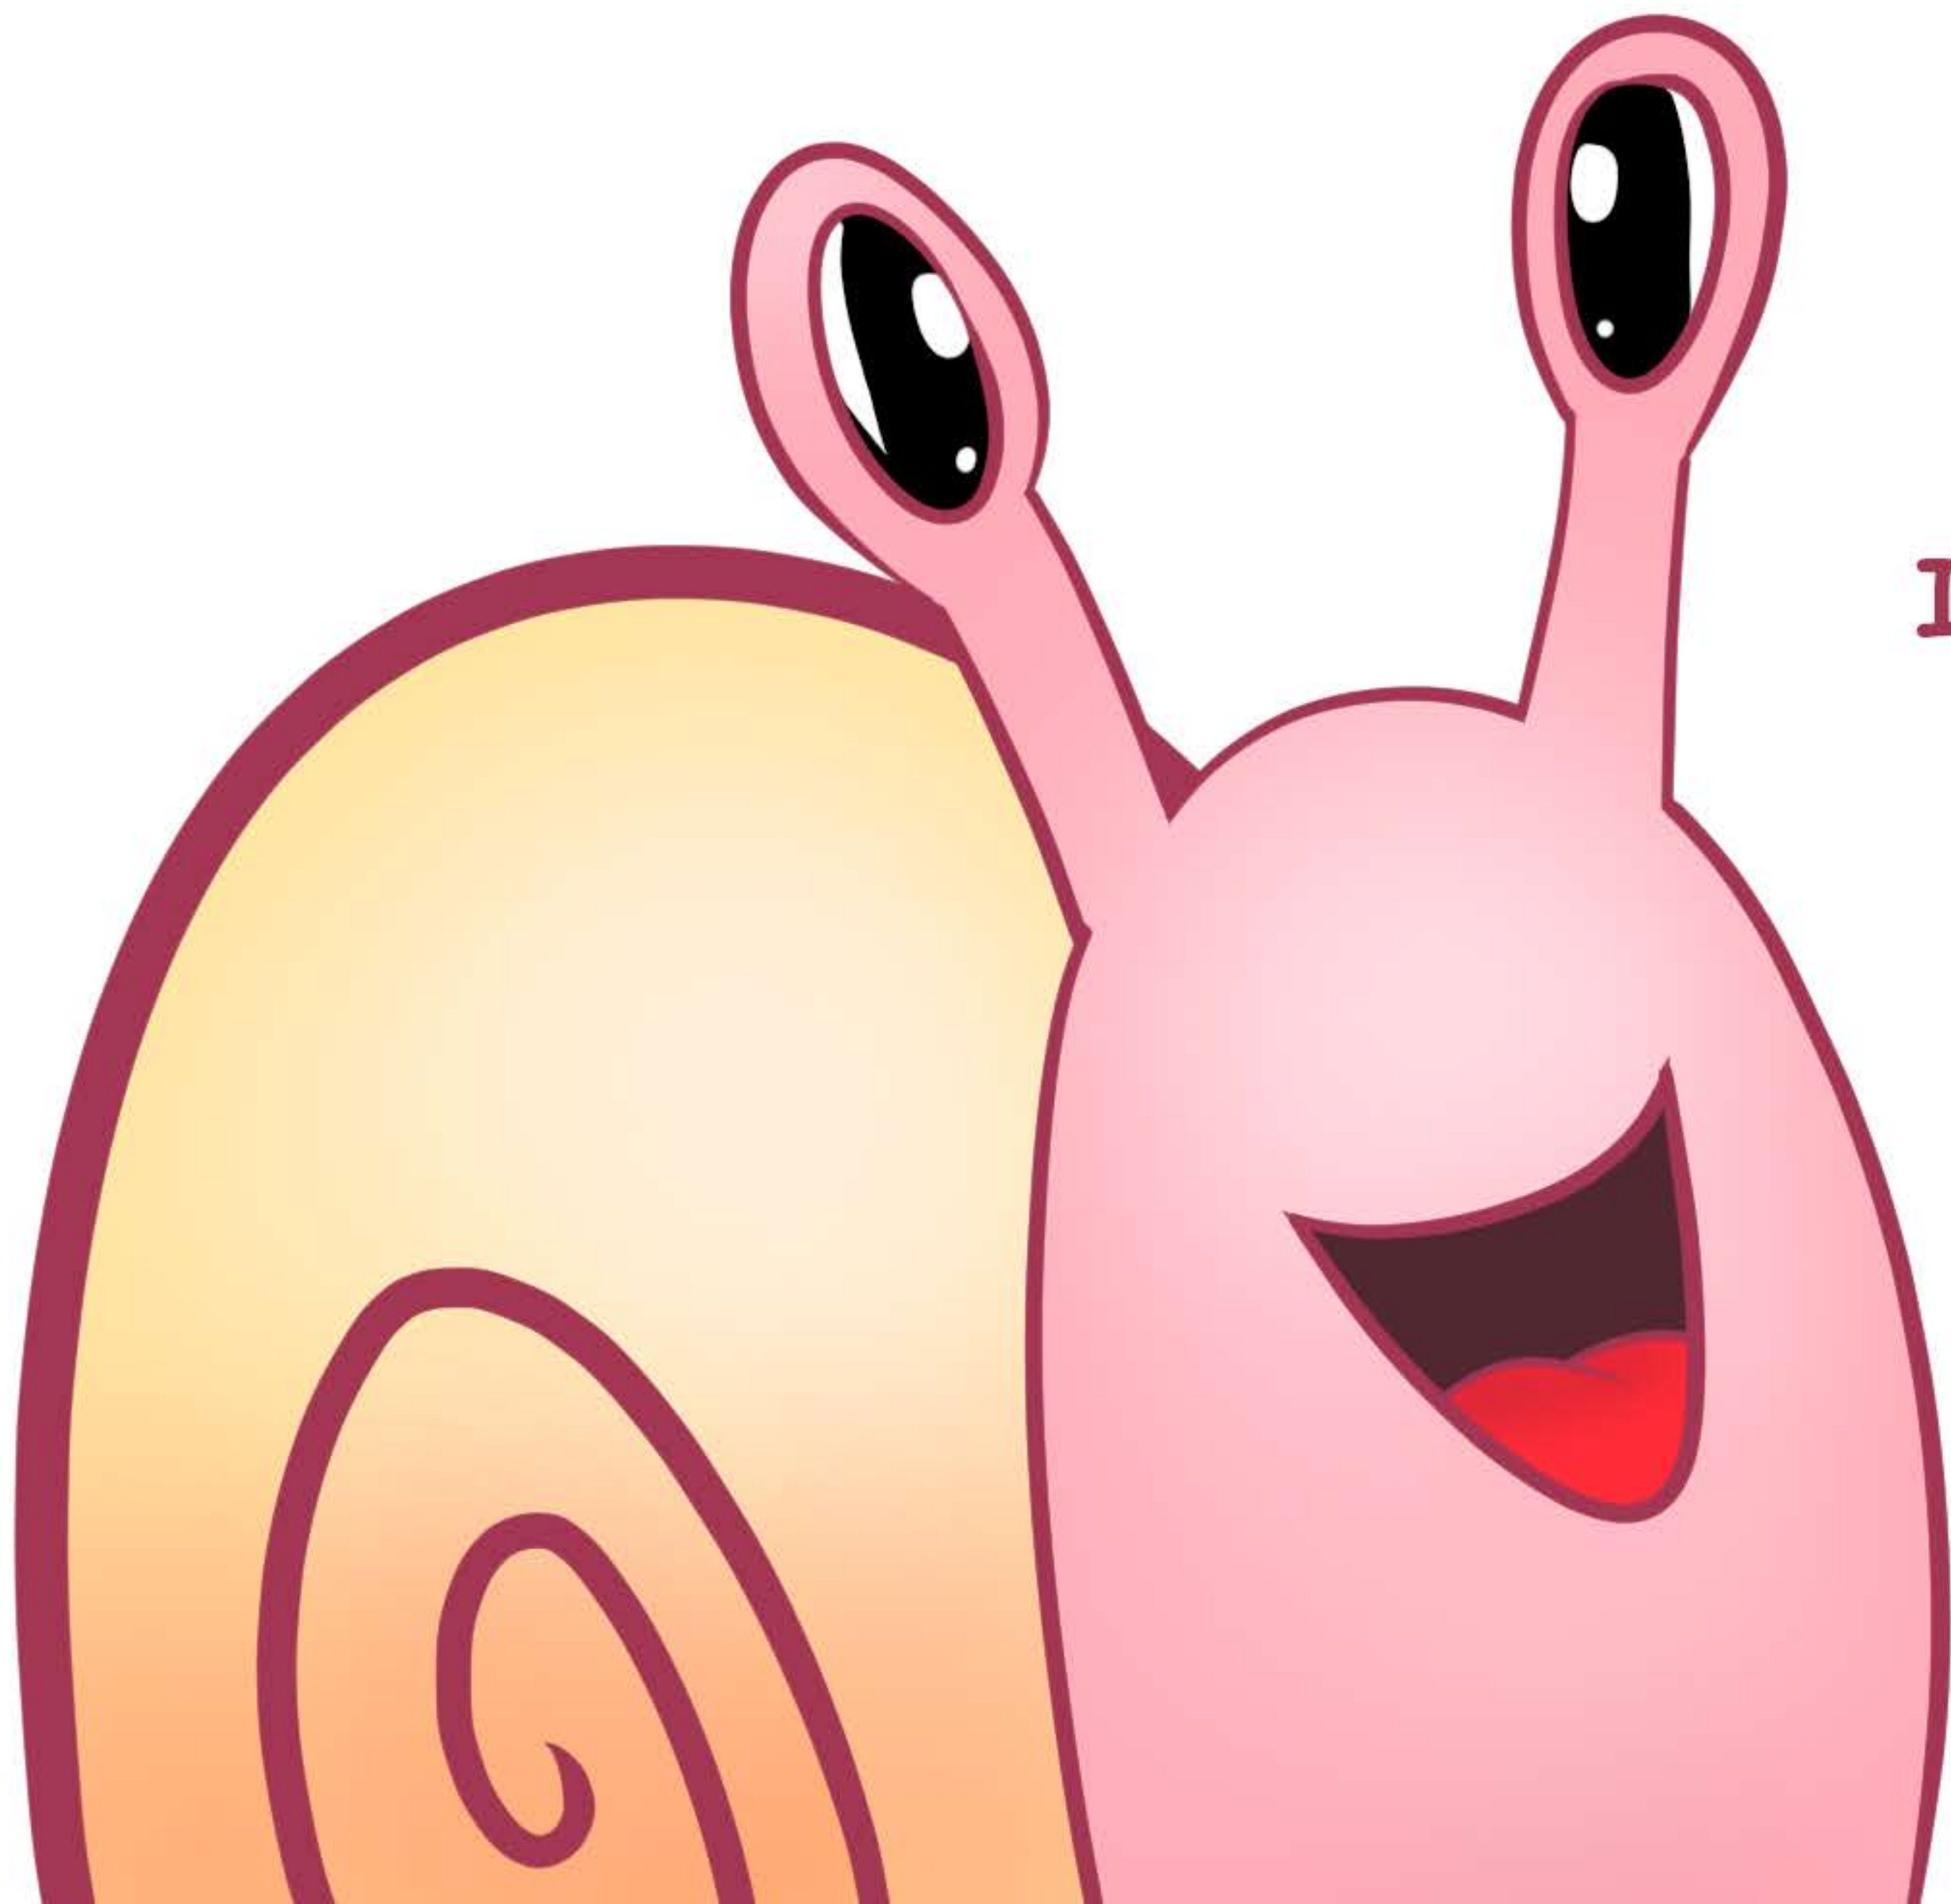

That's right.

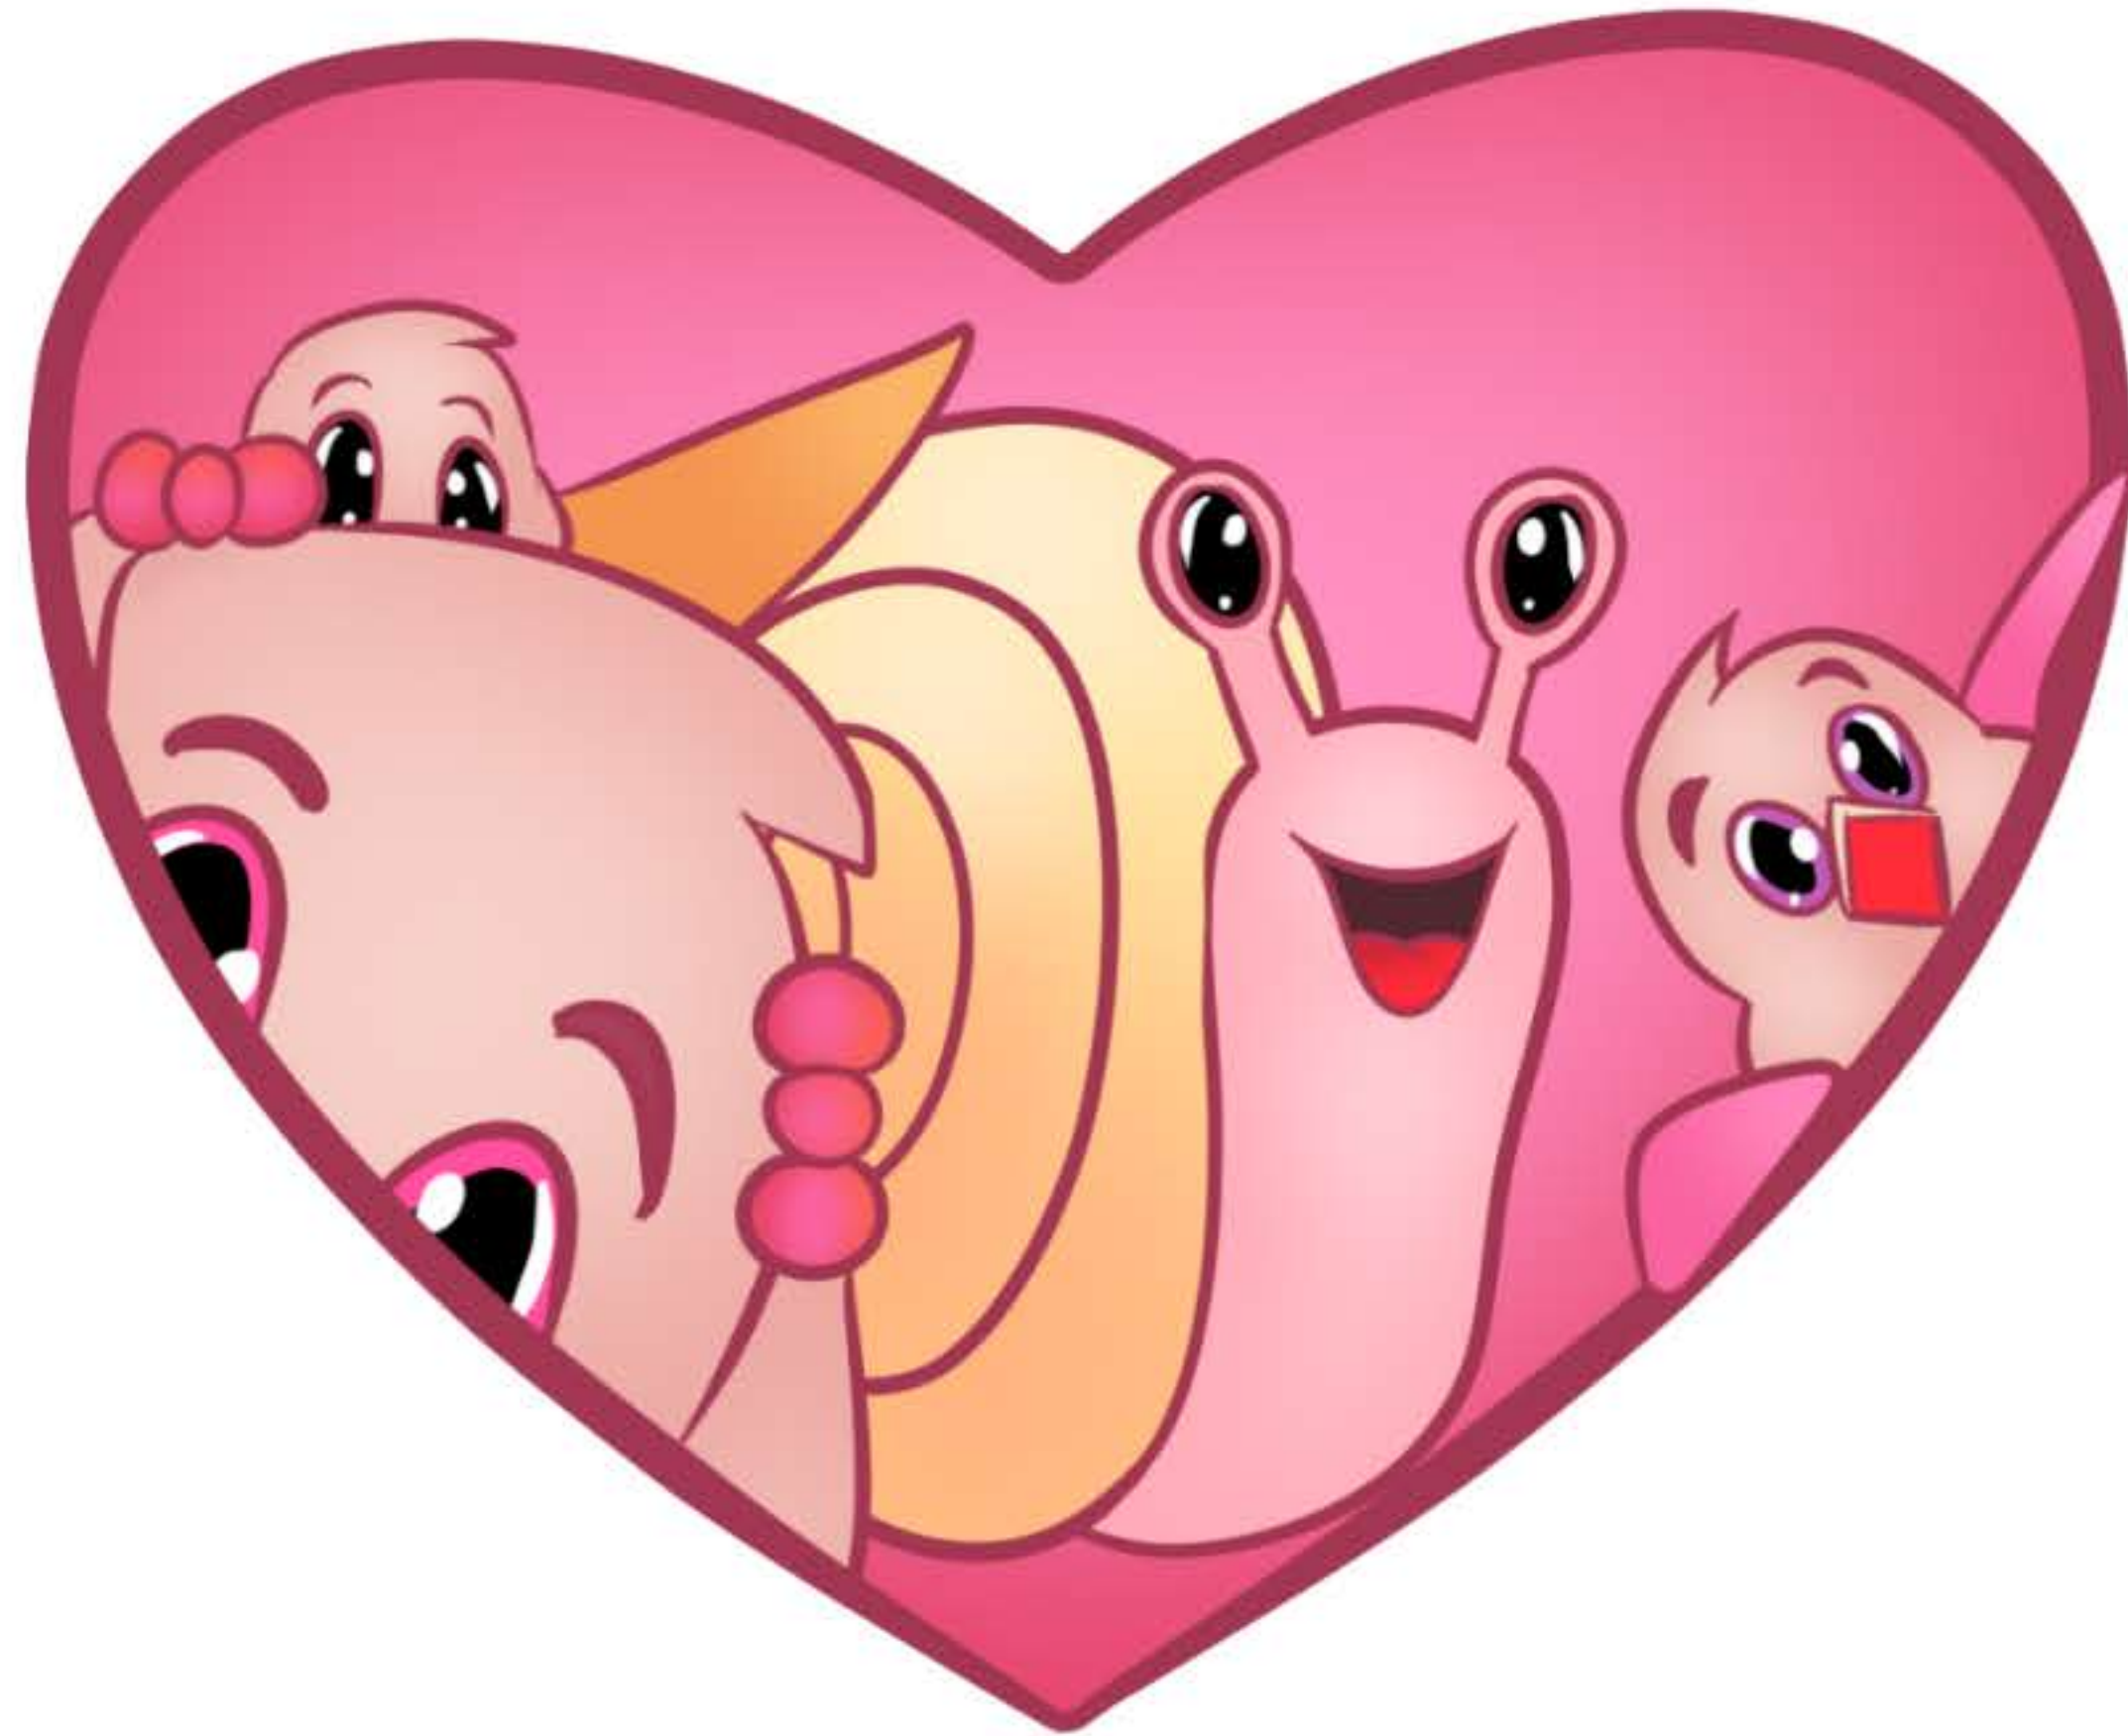

But it's not that important for Miss Snail  
how far she travels,  
as long as she get's done what she needs to do.

That's how it is.  
I have everything  
I need here close by. 😊

We hope you have a wonderful day

and a wonderful life 😊❤️
