Hi everyone!

Welcome!

We have a surprise for you!

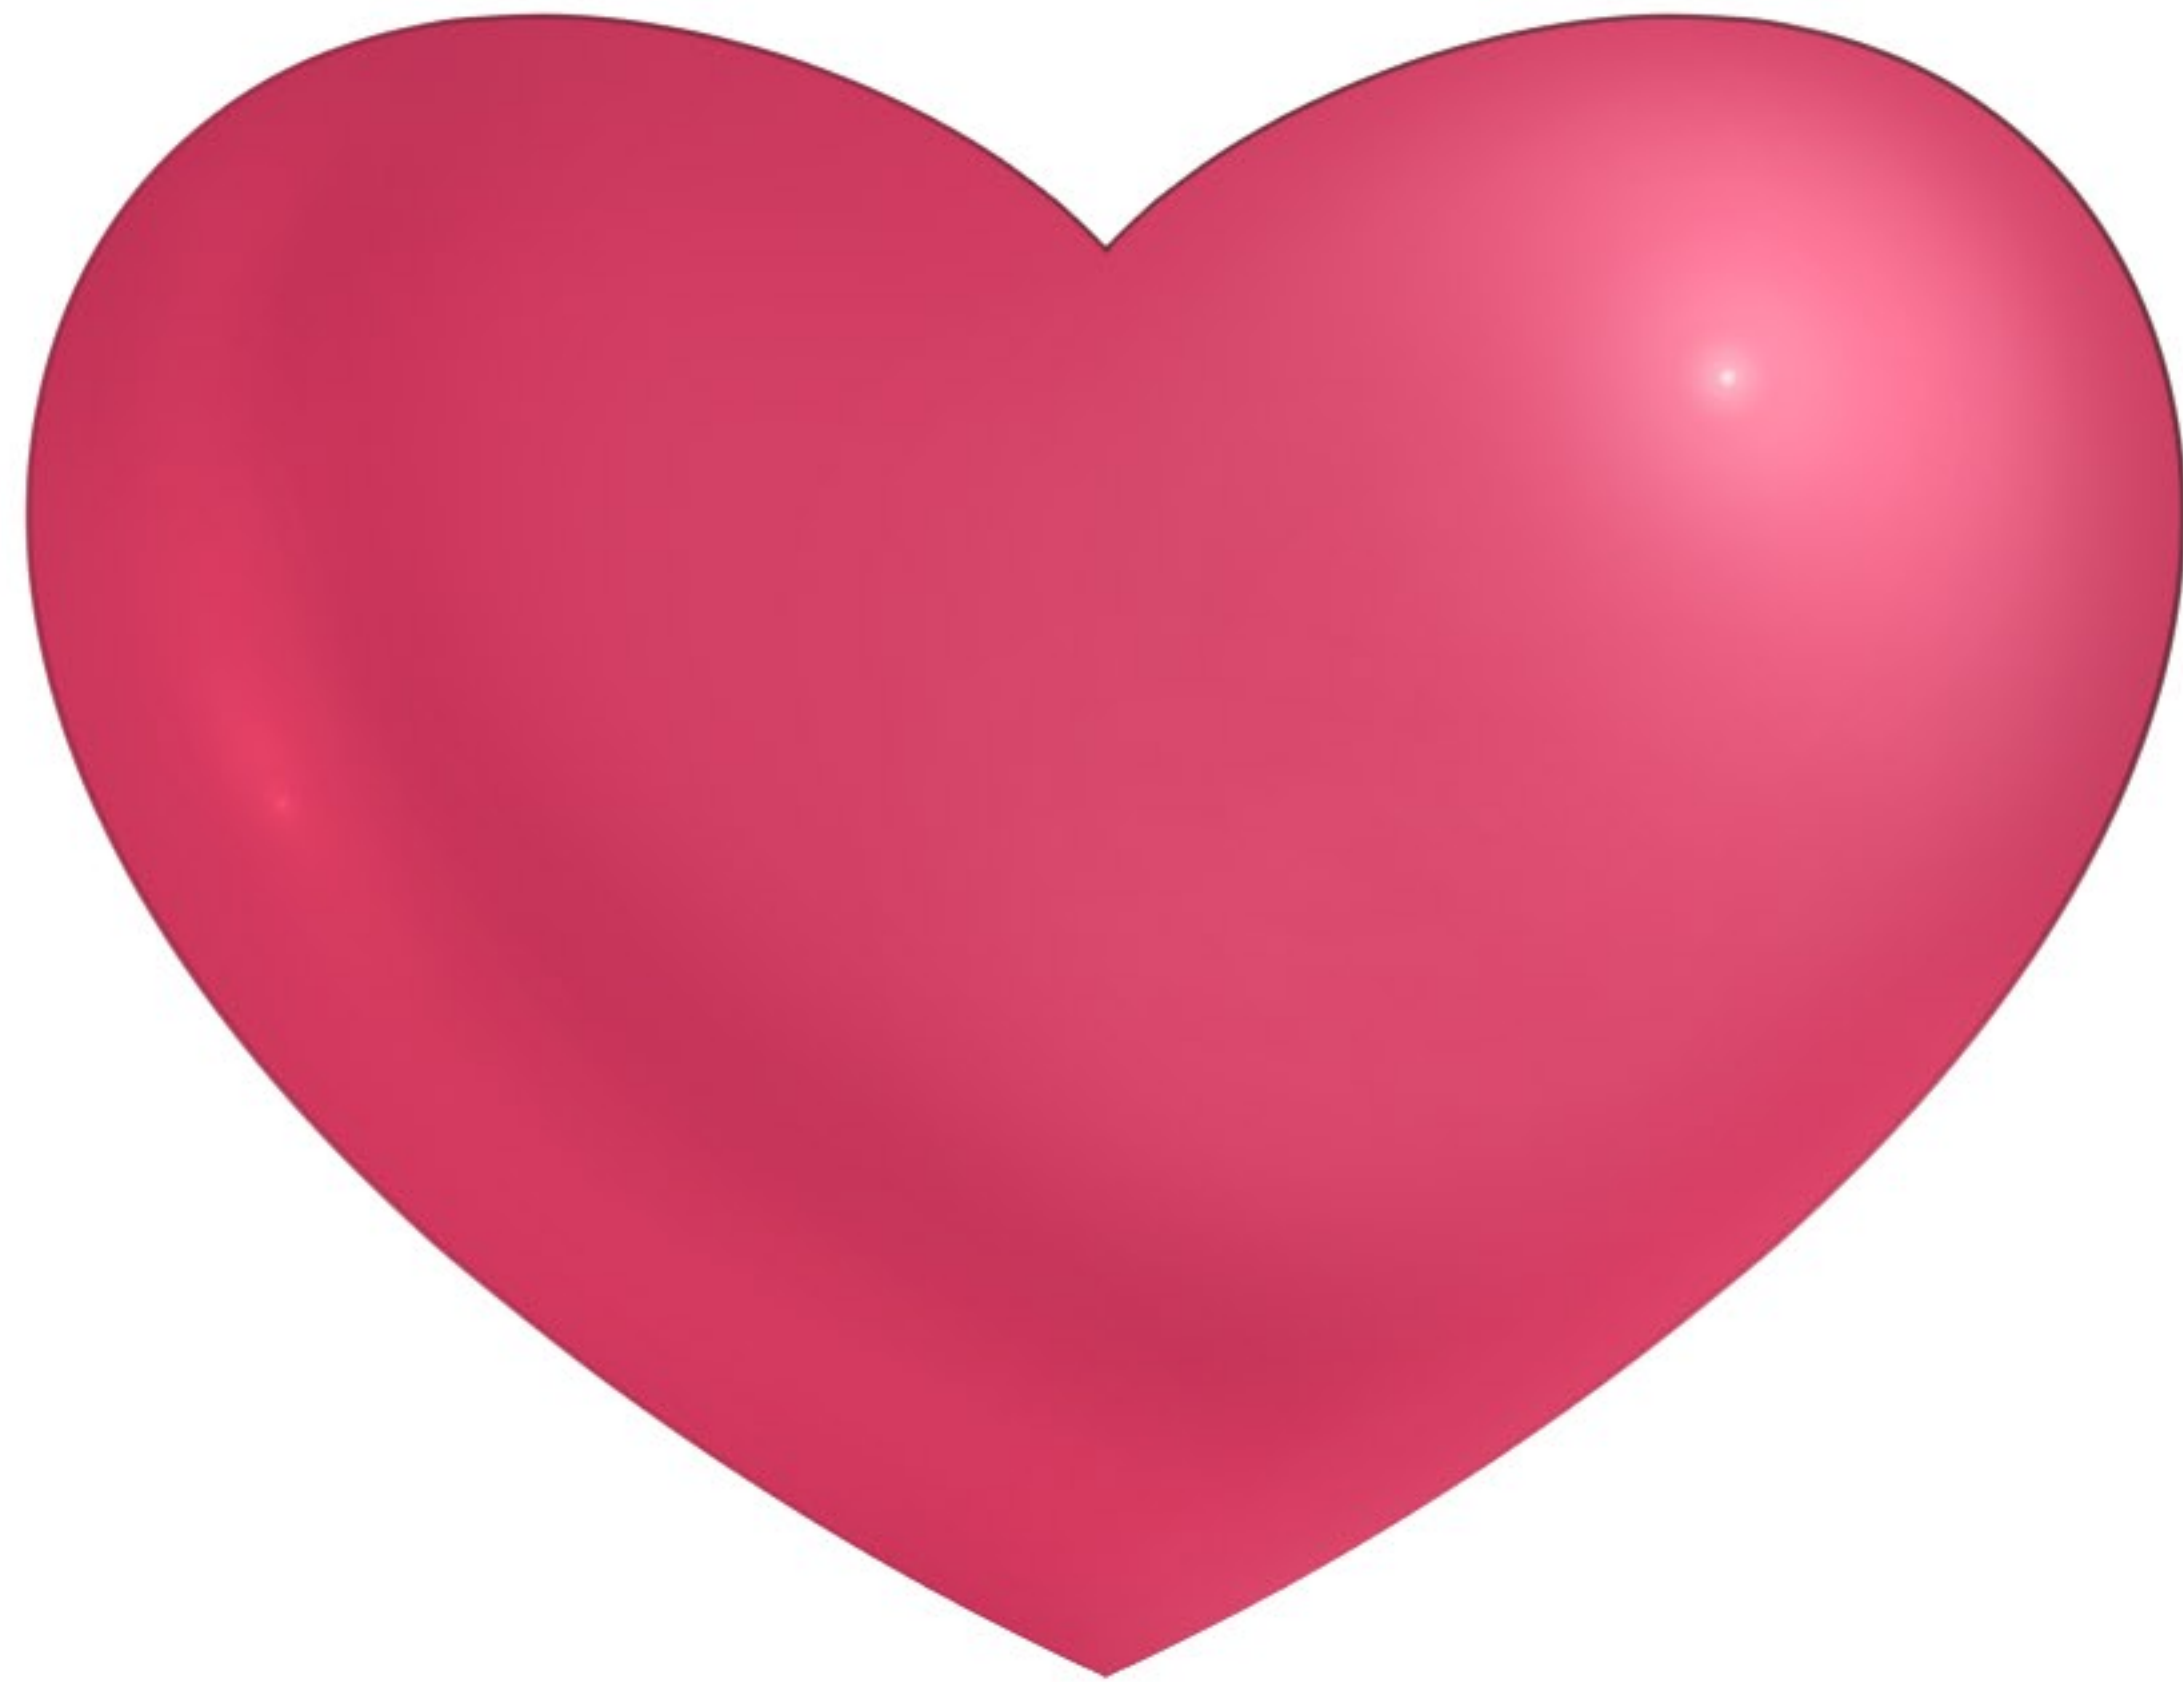

Do you want to know what it is?

Surprise!!!

We have been waiting for you!

Now it's time for a game!

A game?

Yes! Yes!

What game?

Well, how about a story game?

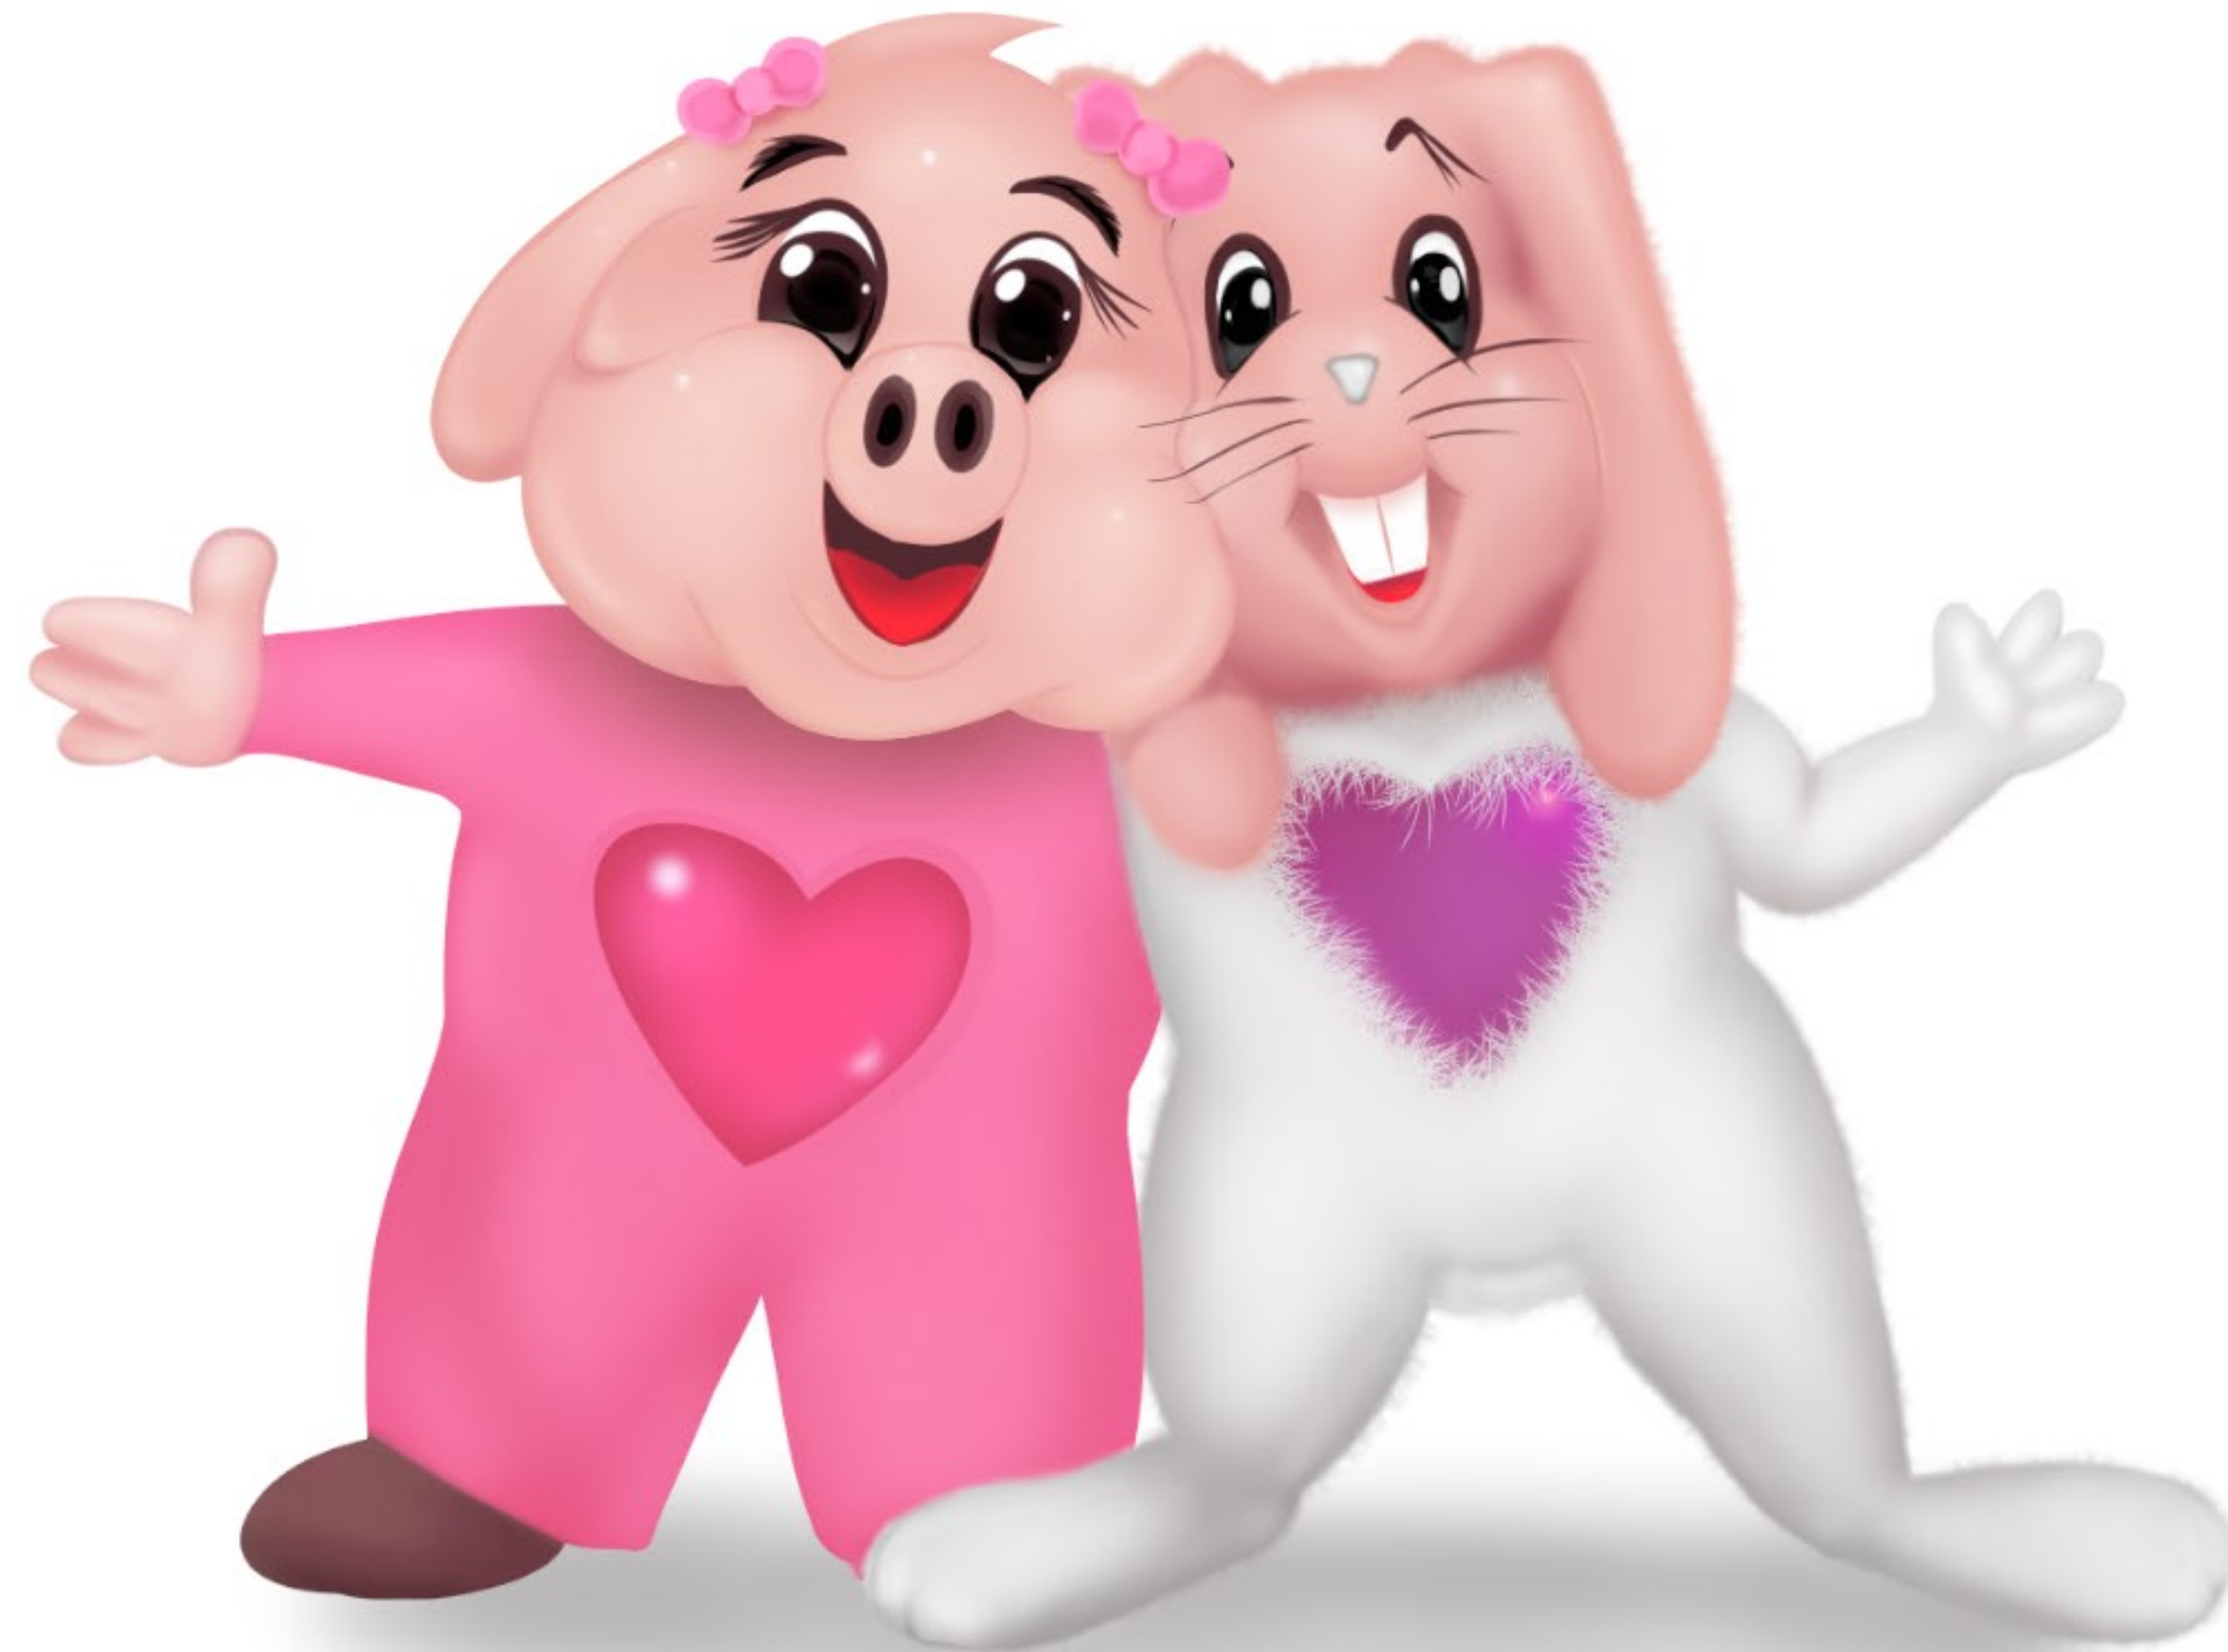

What is a story game?

We each say one word, then we  
build a story from the words!

Here, I'll go first!  
Water

Water, mountain.

Water, mountain, river.

Water, mountain, river, flower.

Water, mountain, river, flower, frog.

Water, mountain, river, flower, frog, sunshine.

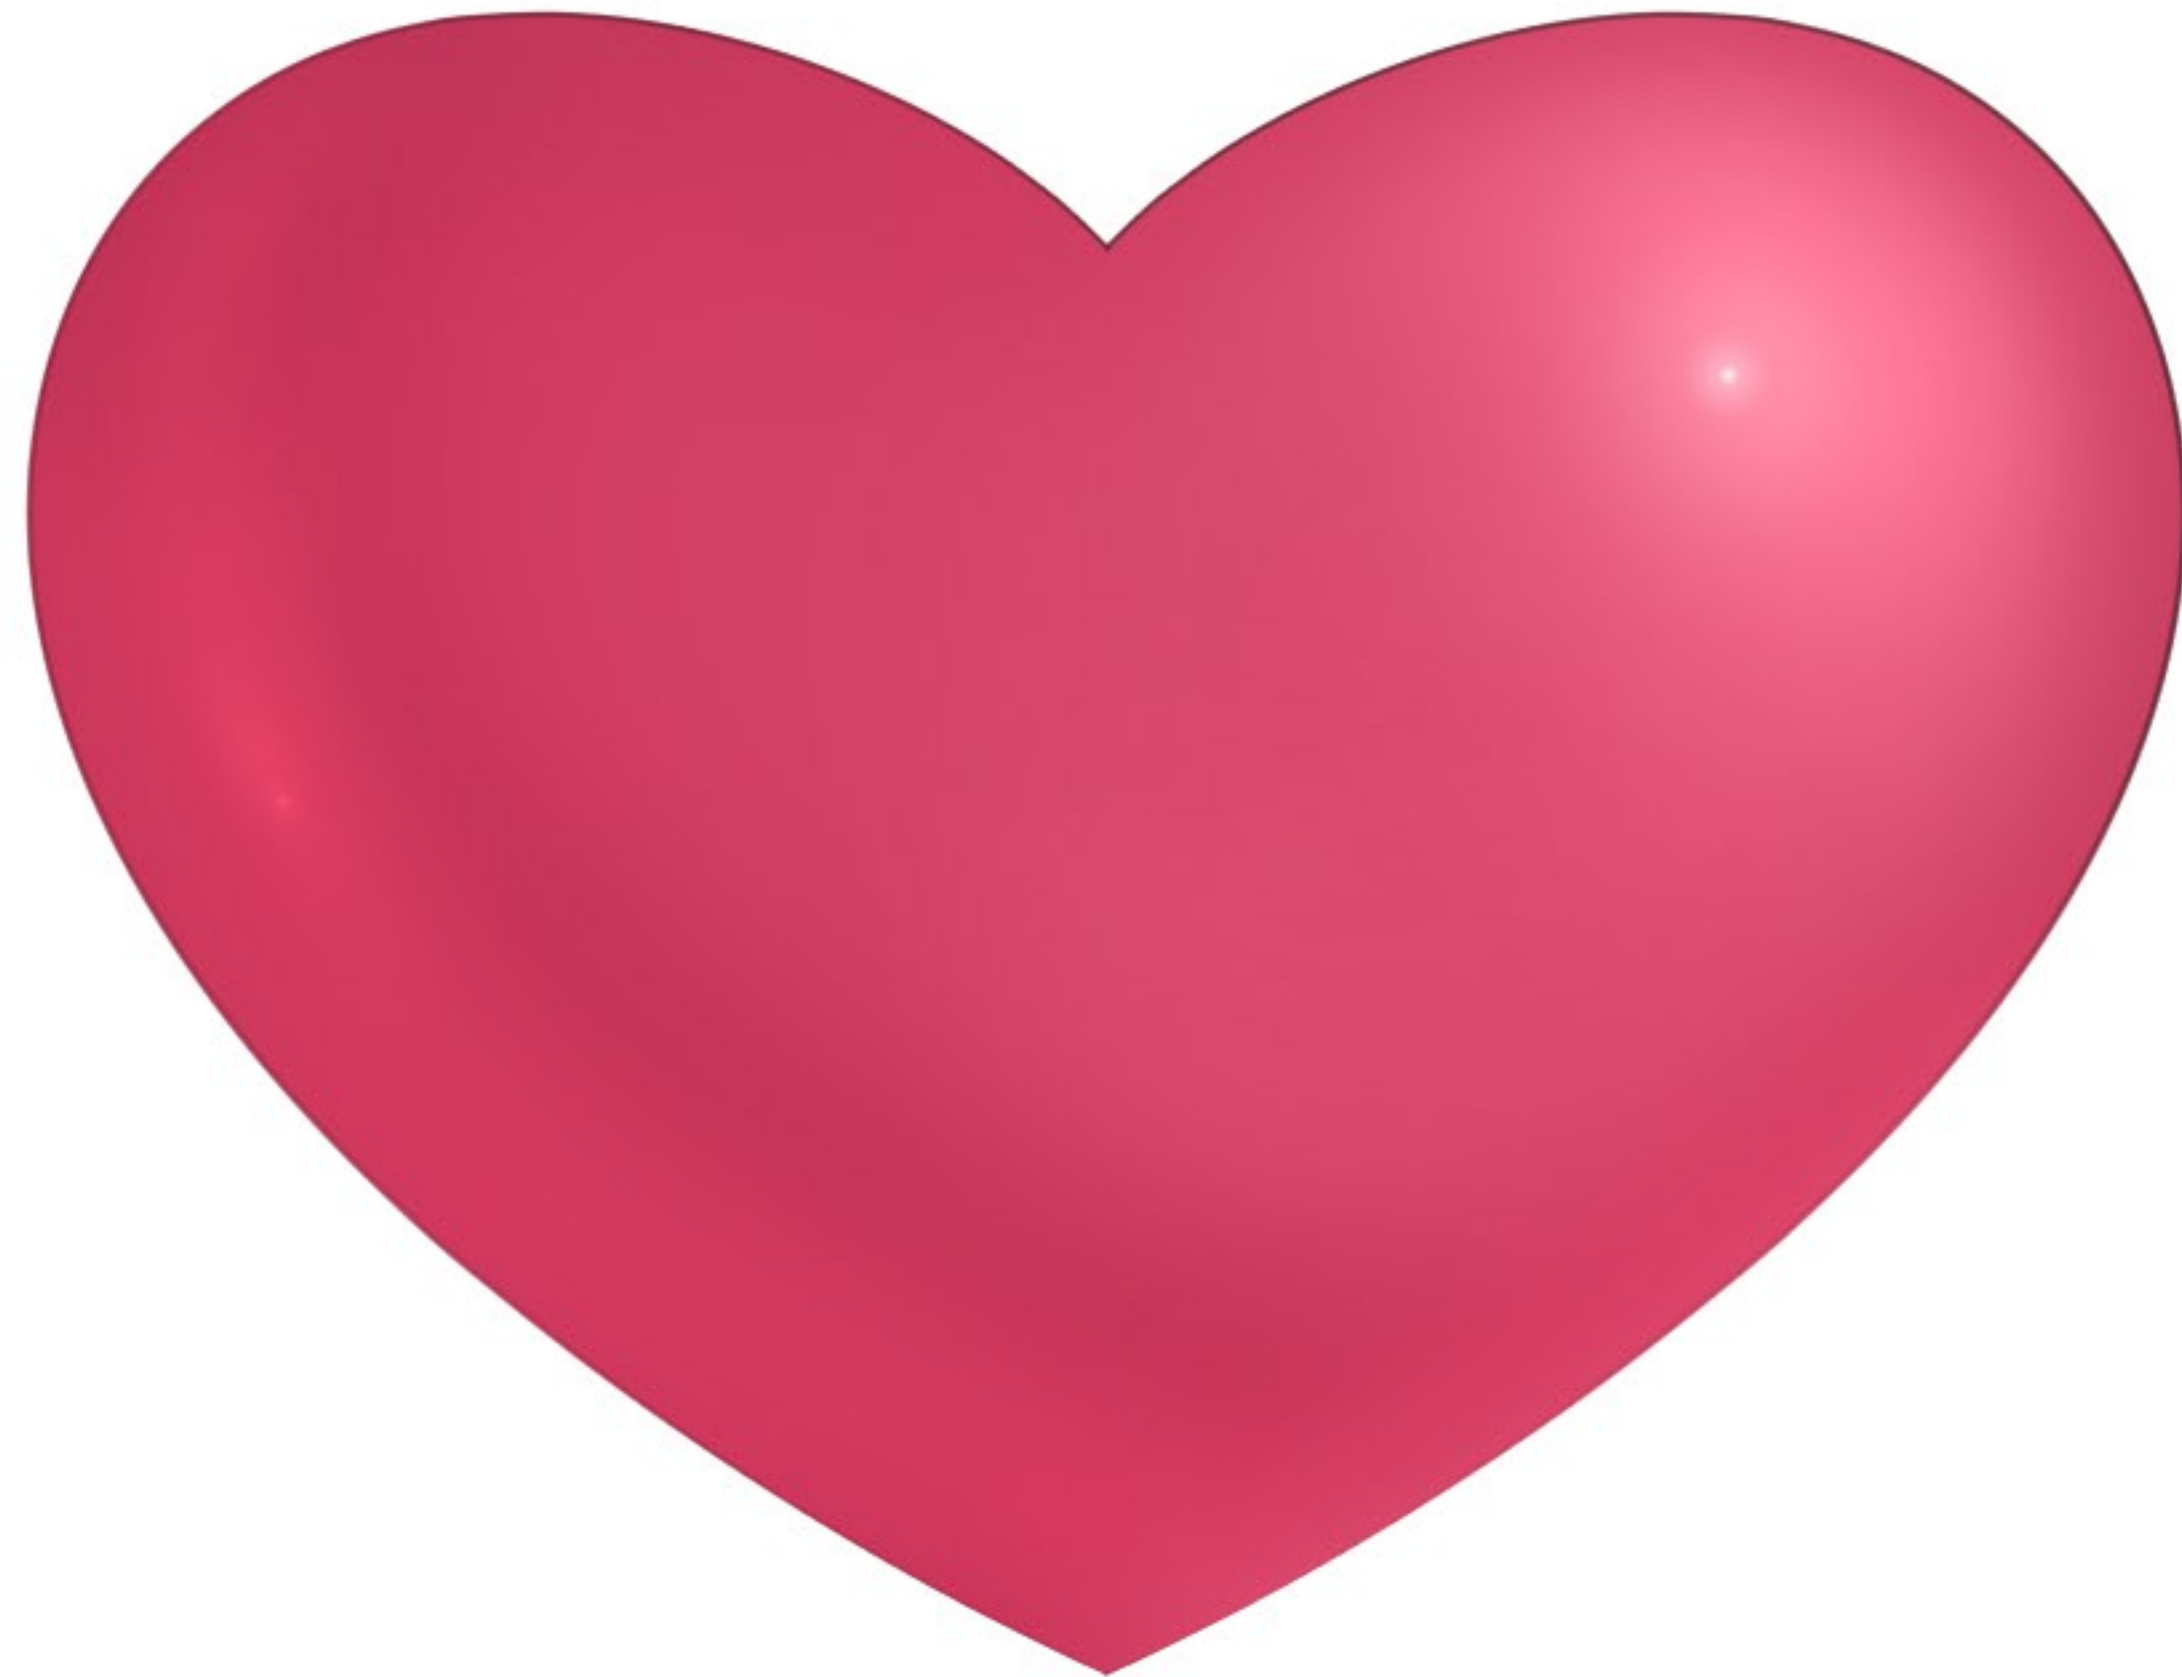

What story can you think of with the words:  
Water, mountain, river, flower, frog and sunshine?

We hope you try this with other words.  
It's the best way of making new stories ❤️
