## First 100 Sight Words Puzzles

Cut out the words and use them as a word puzzle to learn words, here are some ideas to use:

- 1) Cut out two sets and use them as a memory game
- 2) Use the words as flash cards
- 3) Choose nouns and verbs (or use some picture cards), and try to make a sentence with the words (See examples on the following pages)
- 4) Use the pages for a dice game (each time you land on a word and get it right you keep your place, if you get it wrong you go back where you were).
