MAKE A SNOWMAN

You will need: old white socks, old fabric or pillow stuffing, buttons and or beads, thread and needle.

Cut the tip off the sock, to keep for a hat.

Turn the sock inside out and tie the bottom of the sock, then turn right side around again, (so the base sits flat).

Fill with stuffing.

Use a different colour sock or scrap of fabric to tie around the neck to make the scarf and head.

Tie the top of the the sock,

Decorate with buttons.

Put the hat on top.

You now have a snowman of your very own!
(-: Give him a name :-)
