Walking together

Louwrisa Blaauw Bianca de Jong Jade Mathieson

When we go walking
and the road is long,
we'll walk together
singing a song.

I am with you
and you are with me.
A journey is fun
with our family.

I'll keep you cosy
like a mother hen.
She keeps her chicks warm
under her wing.

If the rain starts to fall
down from the sky,
like that good hat
I'll keep your face dry.

If storm clouds get angry
and grumble and moan,
be brave, why cry?
You're not alone.

We're walking together
so we never get bored.
Look up! Look around!
See where we've explored!

If you see something
that's funny to see,
I don't want to miss it.
Please share it with me!

If your feet start to hurt
from the distance we've passed,
don't worry, we've made it!
Here's the clinic at last.

We all need to check
our throat, lungs and ears.
Get strong as you grow,
it's no reason for tears.

Do you think it's scary?
Here, hold my hand.
She'll check your blood pressure
with this clever armband.

They give us our medicine,
tell us what we should know,
to keep us all healthy.
Now back home we go.

It's okay to be tired,
there's so much we've seen.
Now it's your bedtime.
Sleep well and sweet dreams.
