About this Comic

This comic is released under an open, totally free, creative commons license. The cartoons below from the comic's creator are one of the best ways to explain how this works.

MAKE YOUR OWN STORY OR COMIC!

Dave Revoys amazing comics are available in creative commons with no restrictions. This means you are totally free to recreate works from these books, and distribute them, the only requirement is that you release them in the same way, and that you provide attribution to David as the original creator and artist.

WRITING EXERCISES

Write your own story using these images.

Write a editorial about creative commons publishing model used by David Revoy.

Write an editorial about the Pepper and Carrot comics our about David Revoy.

Submit the editorial, or the story to us for review, if it's good quality we will publish it! Including some information about you and your writing.

FORMATTING EXERCISE

Use these images or others from <https://www.pepperandcarrot.com> to create a book. This exercise is about learning picture formatting and sizing, file types, document creation and formatting, and can be done with or without words.

This file was created in OpenOffice Draw, and exported to pdf. The pictures were manipulated from the originals by cropping and exporting using Gimp.

If you want to start with an editable version to create you're own, see some native formats of files like this in our editable file category, here: <https://freekidsbooks.org/subject/files/editable-files/>

A cartoon character with green skin, purple hair, and a black hoodie with yellow trim is celebrating. The character has their arms raised and a wide smile. A large white speech bubble above the character contains the text 'Totally free kids BOOKS YAY!' in purple and green. The background is orange with blue leaves and white birds. At the bottom, a dark blue banner contains the website URL and a description of the books.
