Vocals written and performed by Marcie Joy

Music written and produced by Osvaldo Nugroho

Vocals produced by Anthony Webster

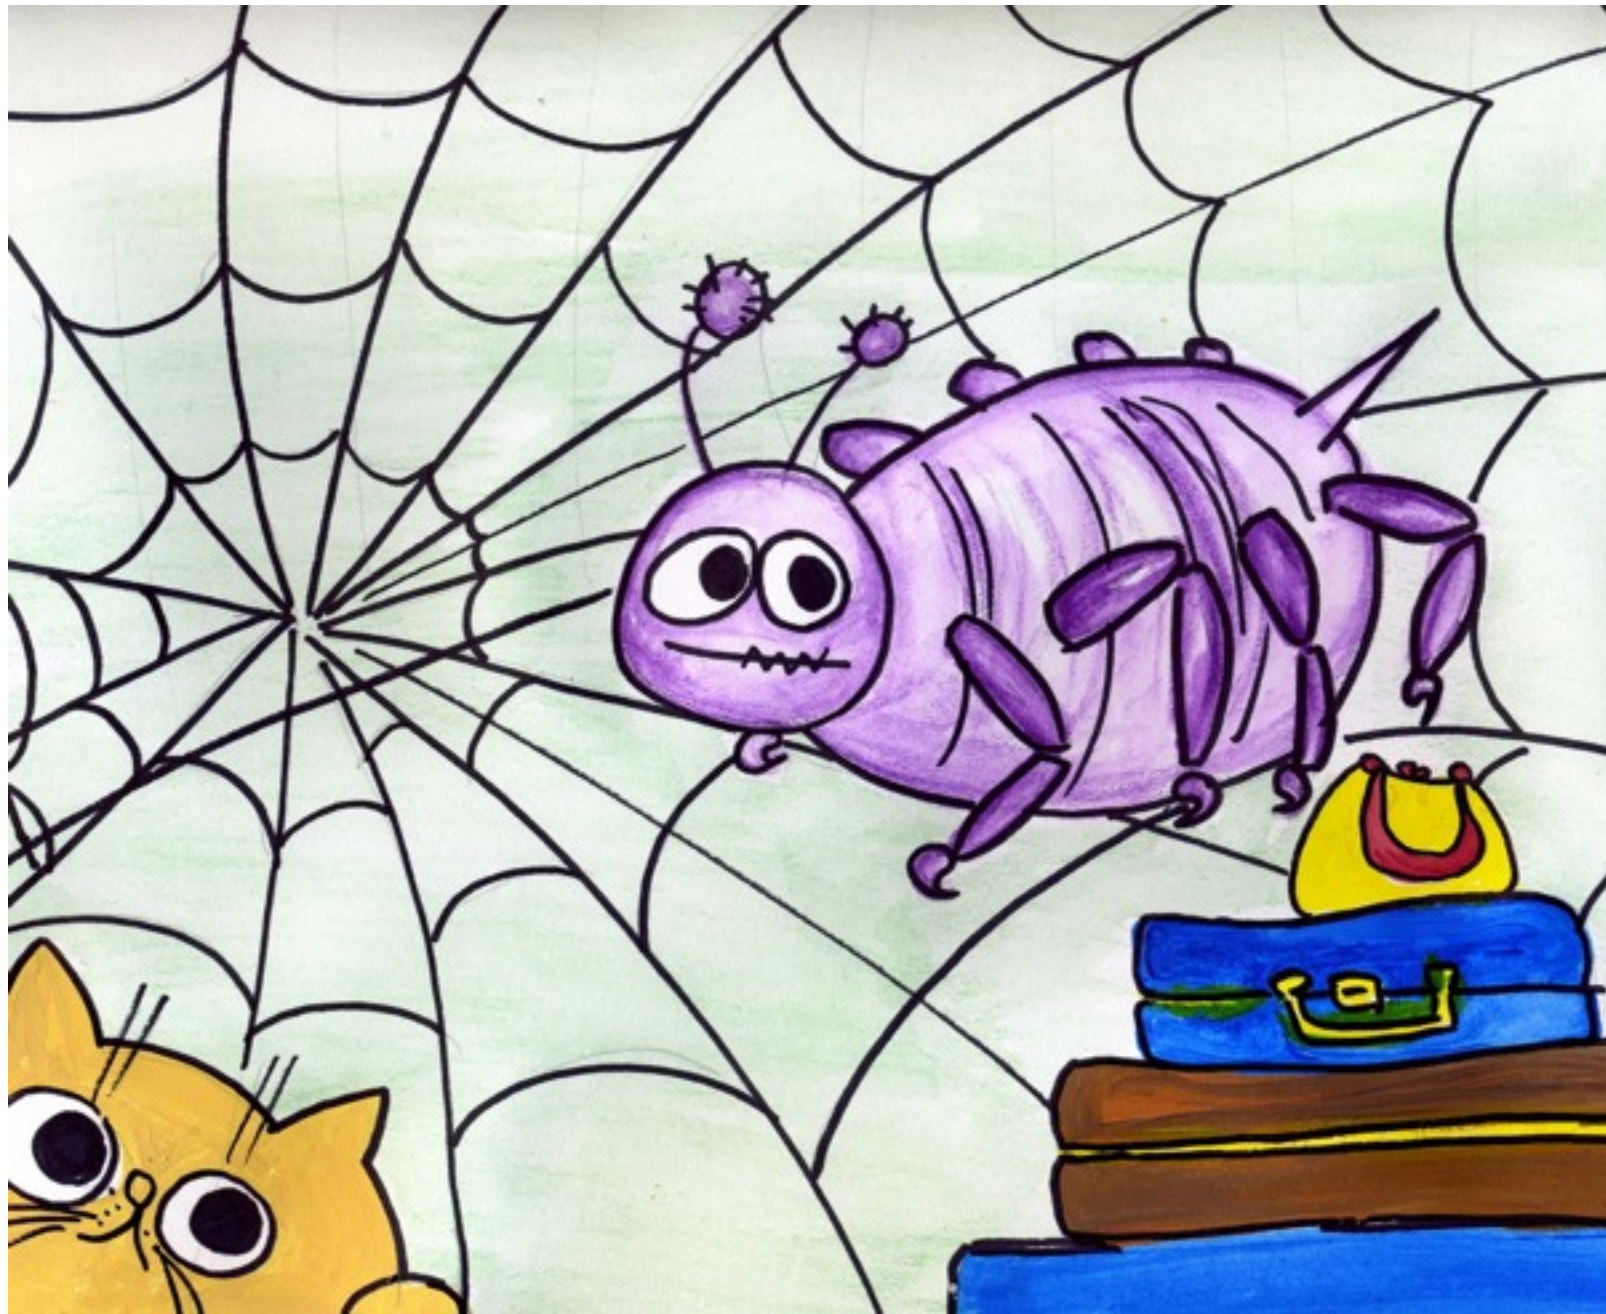

There's  
a bug  
in my room.

I don't  
know what  
to do.

How did it  
get in the  
door?

Oh!

It's got 8  
legs.

It's building  
a web.

It's  
crawling  
across the  
floor.

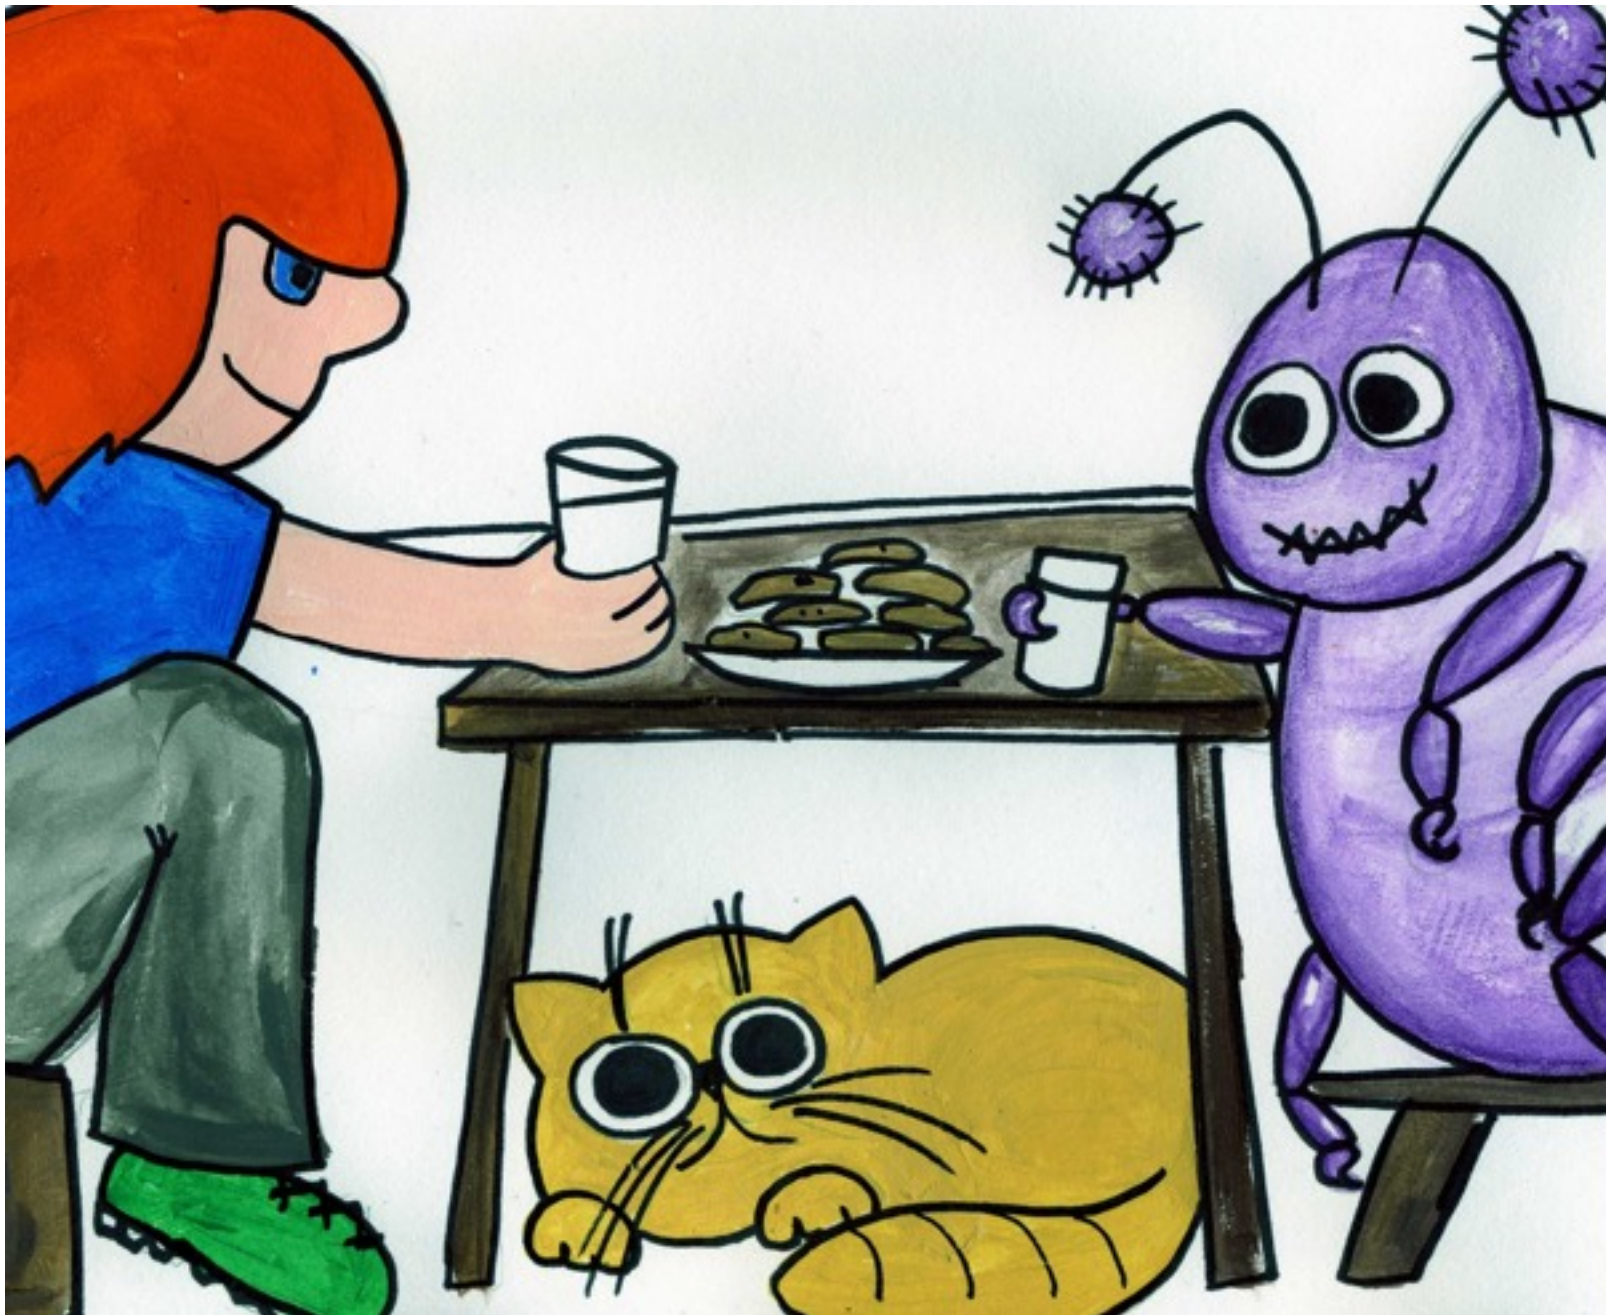

Should I...  
jump up on  
the bed?

Yell for help  
or run  
instead?

There's  
no place  
for me to  
hide.

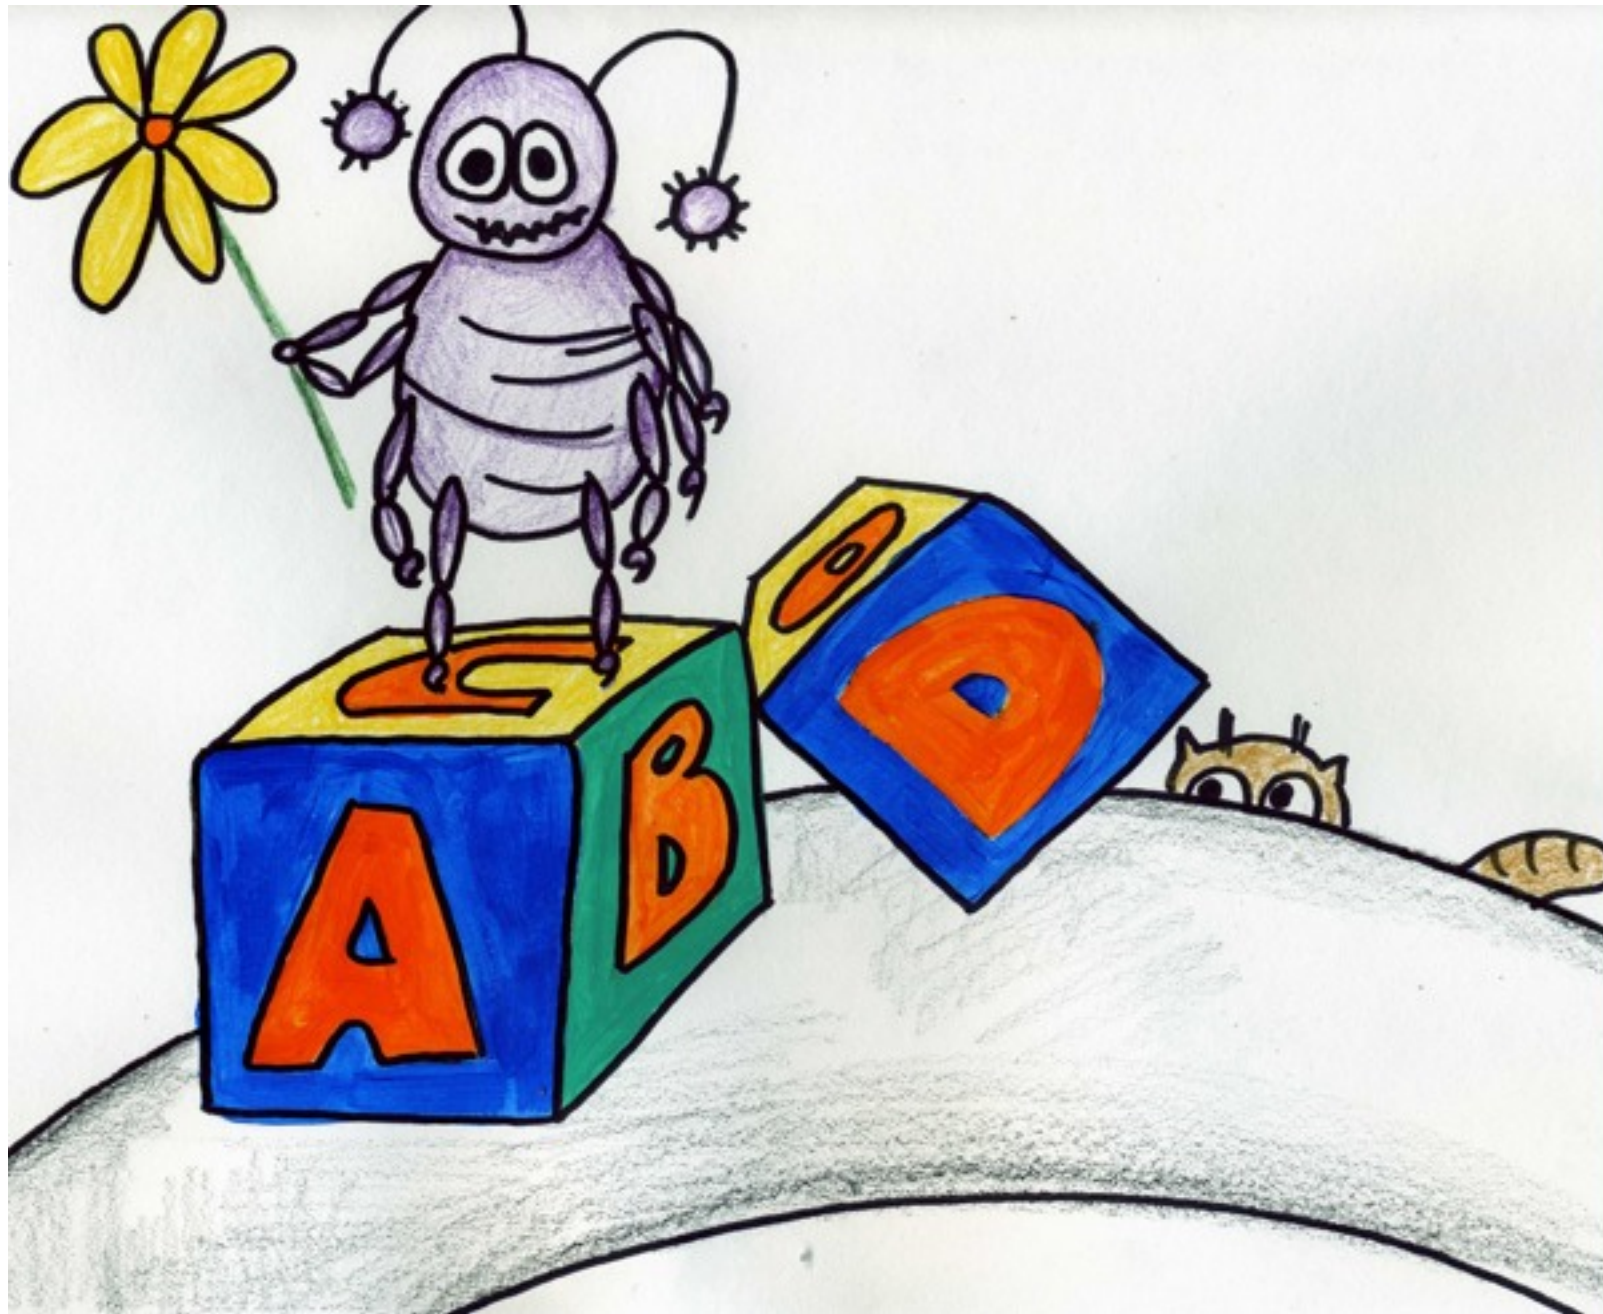

Maybe it  
can stay.

Maybe we  
can play.

I'll feed it  
cookie  
crumbs  
all night.

There's a  
bug

in my room.

I don't  
know what  
to do.

How did it  
get in the  
door?

Gosh!

It moves so  
fast.

Before I  
have a  
chance,

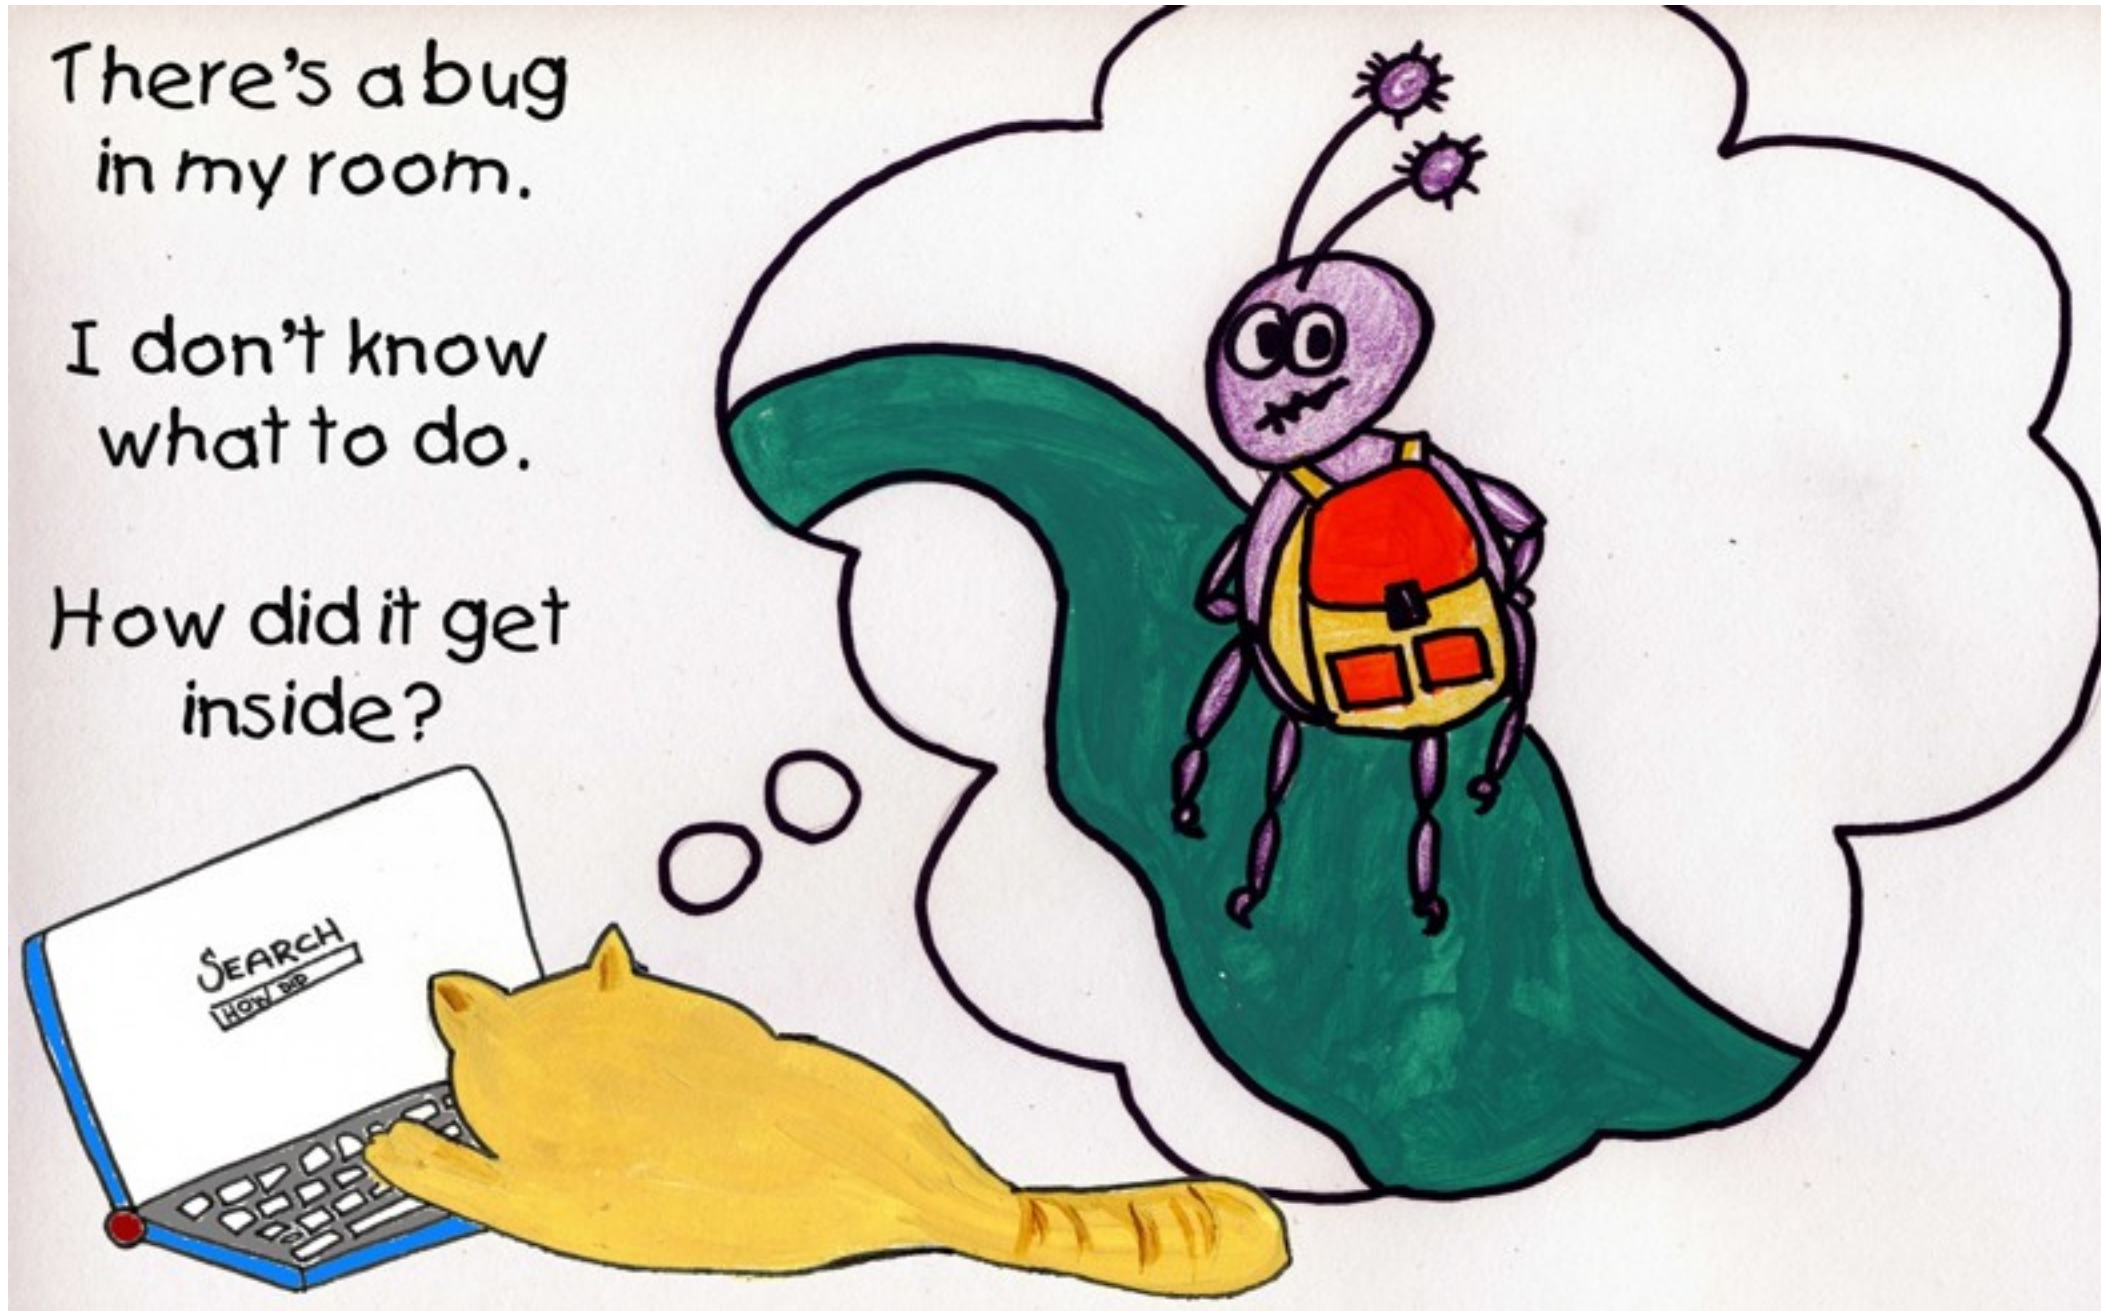

there  
could be  
lots more.

There's a bug  
in my room.

I don't know  
what to do.

How did it get  
inside?

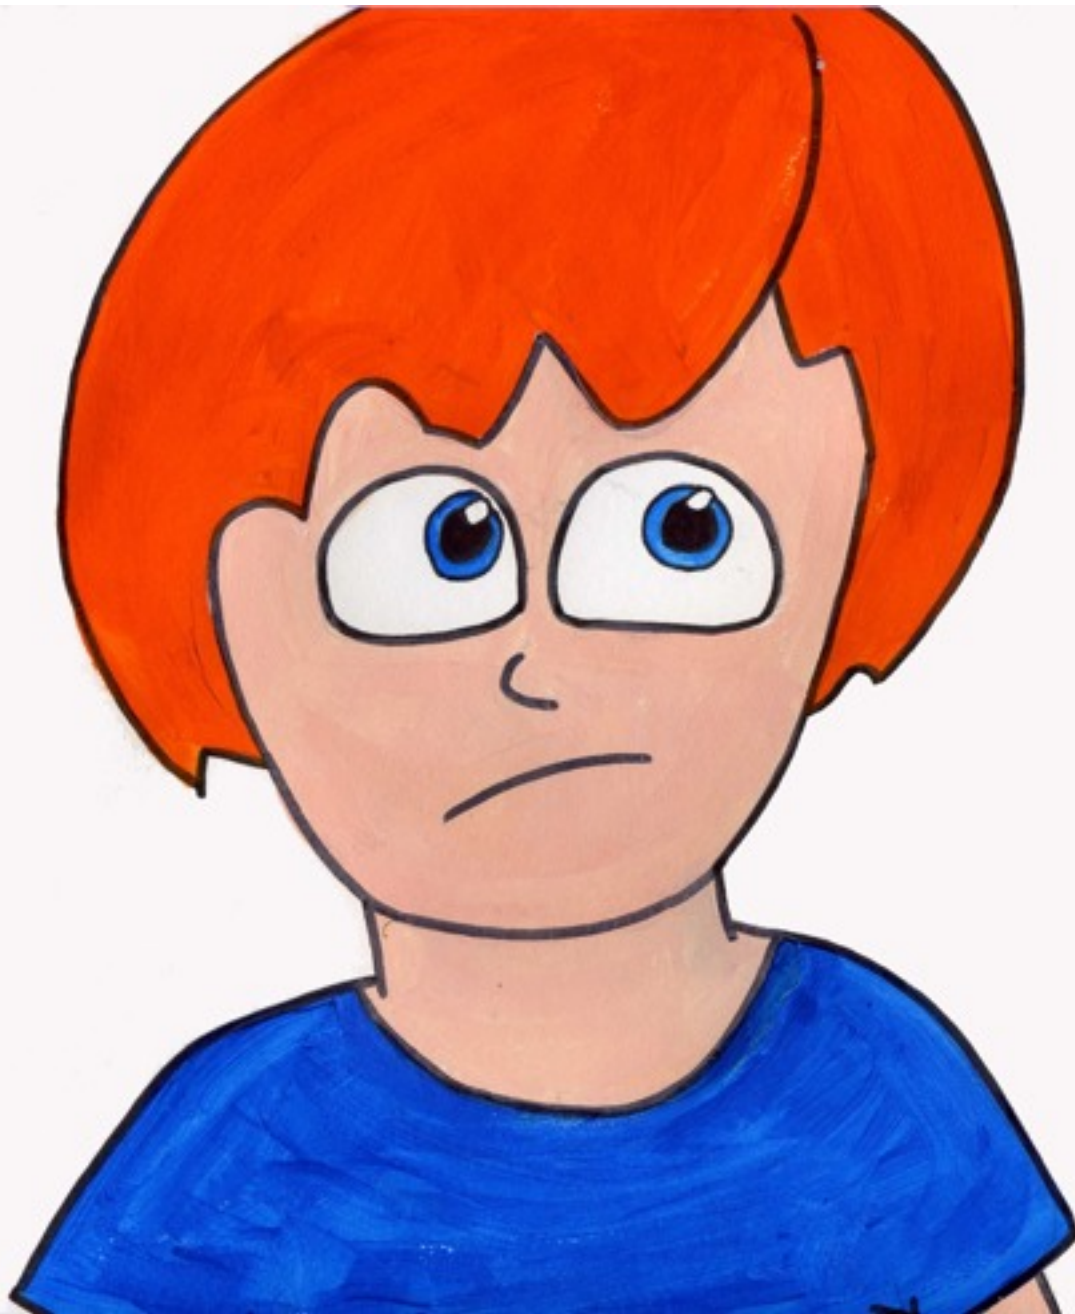

Should  
I try to  
squish it?

That seems  
kind of  
vicious.

There's a  
nice way  
to help it  
survive.

Oh  
I'll call my  
mommy.

Oh  
I'll call my  
daddy.

Maybe  
they know  
what to do.

But if they  
see this  
mess,

I know  
that they'll  
suggest

that  
I have  
to clean  
my whole  
room!

I don't  
think it  
bites.

Or stings,  
but still it  
might.

That's a  
risk  
I don't  
want  
tonight.

No,  
it can't be  
my pet.

It can't  
sleep in my  
bed.

It needs to  
go back  
outside.

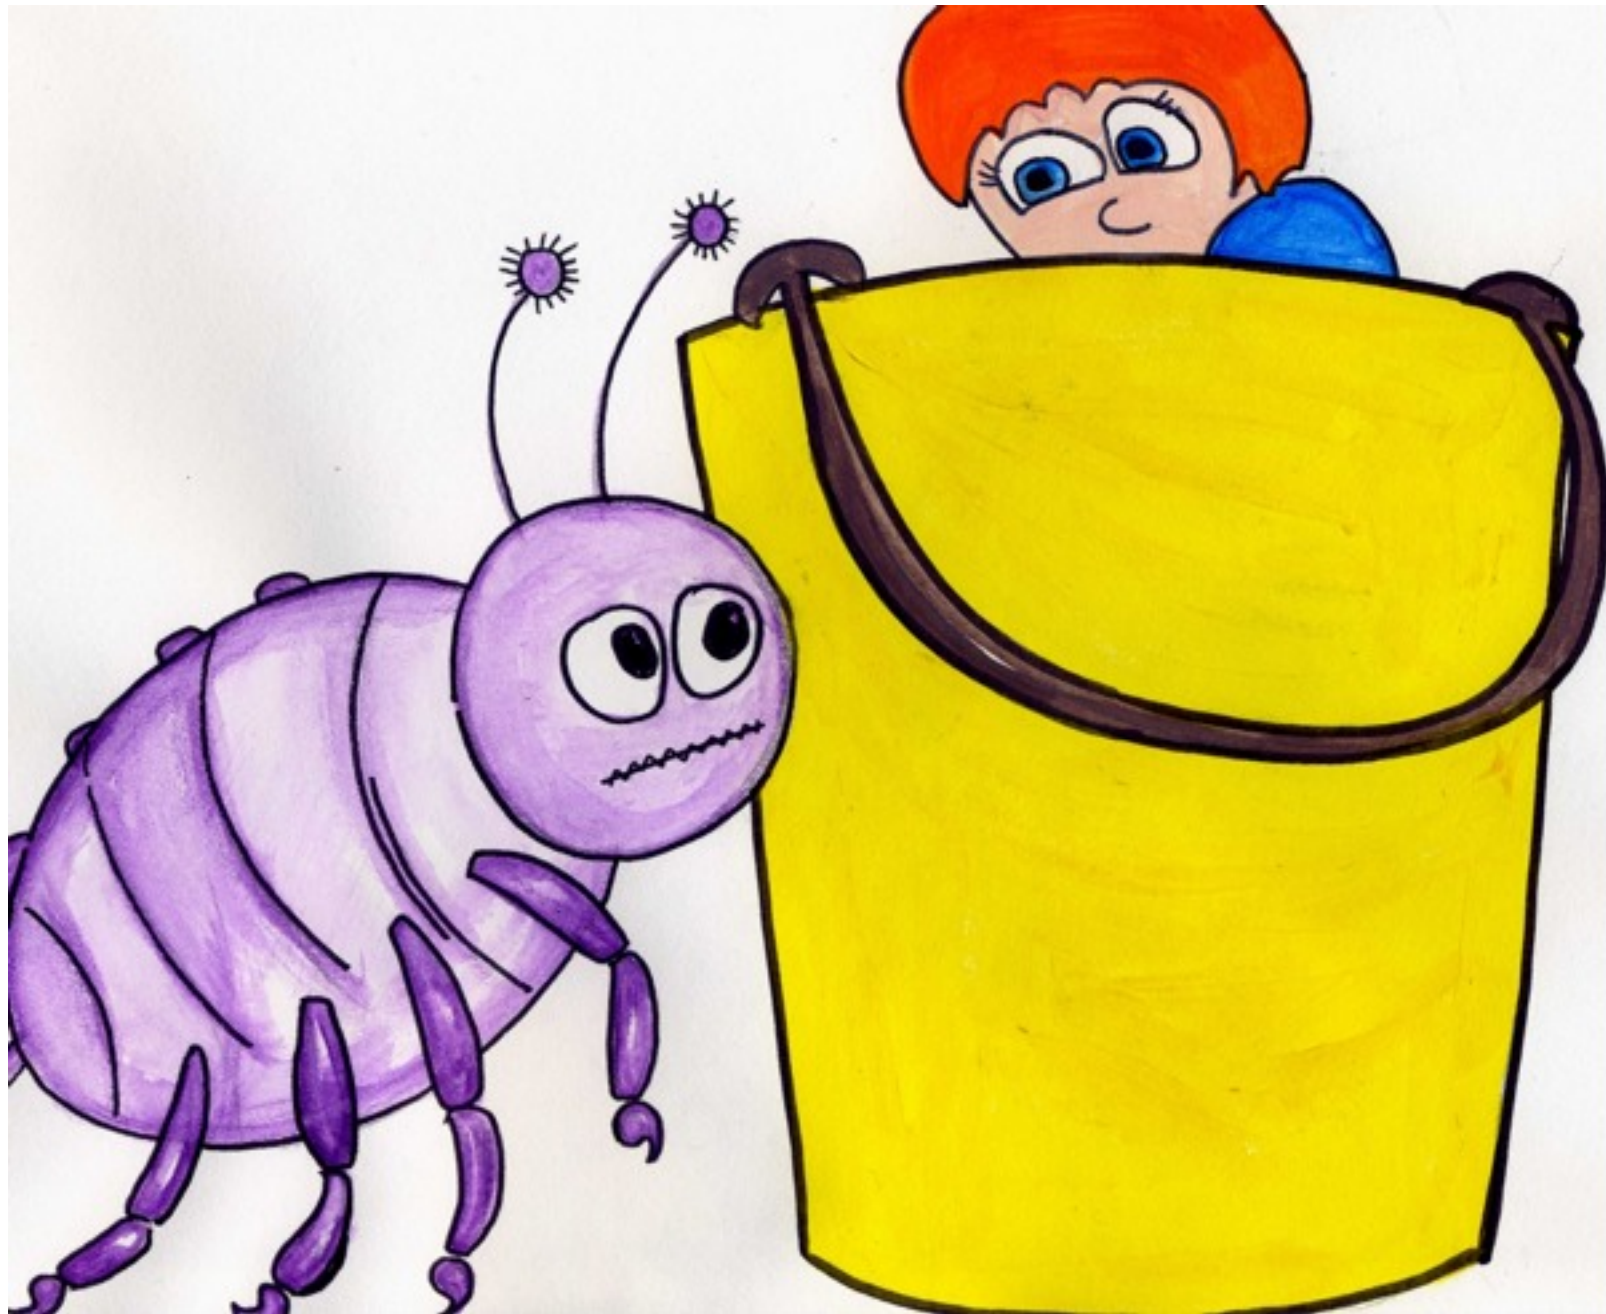

What do I  
do  
to move  
this

BUG

from my  
room?

I guess  
it's up  
to me

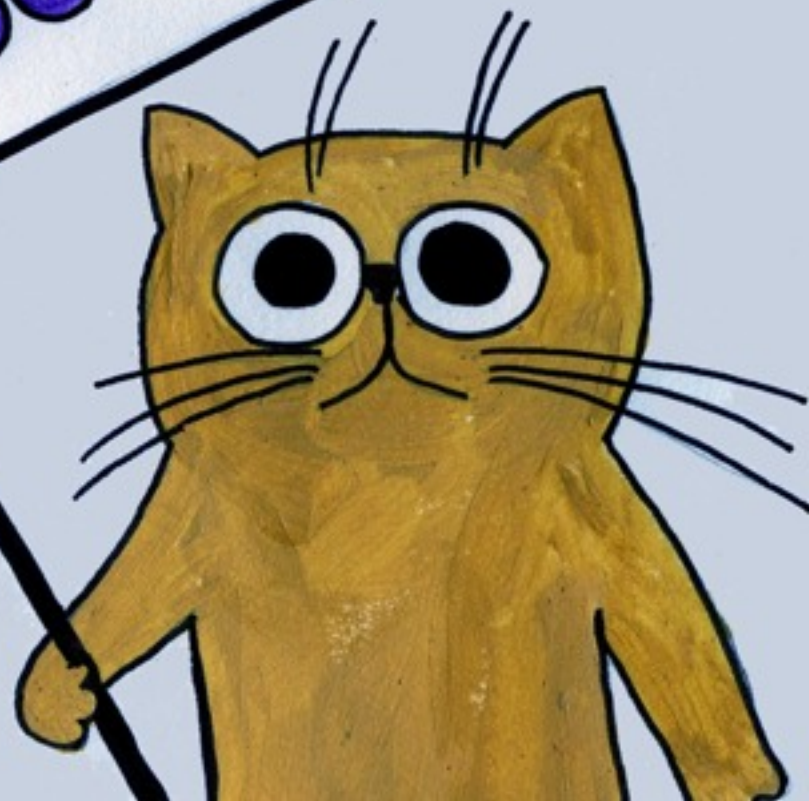

to treat it  
carefully.

Scoop  
it up,

save it...

Just Let  
it be

If I don't  
want to  
touch it,

I'll just  
get a  
bucket,

and  
scoop  
it up...

take it to  
a garden  
by a tree.

Let it be.

It can't  
hurt me.

That's what  
I'll do

to move  
this bug

from  
my room
