**IN MY DREAMS!!**

Sketchbook Project 2012

To put off doing something, especially out of habitual carelessness or laziness.

That's pretty much the story of this sketchbook. I received the book about 6 months ago, and managed to 'not touch it' until Jan 1, 2012. (As a result of spending my time on trivial pursuits, such as my real job, and several remodeling projects in my home).

So, as you will see, this book is mostly photo shopped versions of many of my past works, with a story added. It was kind of fun completing it though! Let me know what you think.

# TRAVEL WITH ME....

I'm Mattie, and this is my best pal Mickey - we do everything together. We are always going somewhere together, that's probably why you will usually see us from the behind. We love to Travel, even if it is usually in our Dreams !!

The good thing about Dreaming is  
that you can go places that may not  
even actually exist, like....

The Music Float - one of my  
favorite places to make Music!!

**The Seaside Concert - with some  
very wild musicians!!**

**The Lonely Concert - accessible  
only by Blimp !!**

**The Cliffside Concert - a very  
picturesque spot !!**

Mickey and I even took flying lessons, in our dreams, so we could see even more unique places and things, like....

One of those famous Flying Pigs.  
Now we know how he does it !!

Of course, dreams can sometimes be a little scary and uncomfortable, like...

A visit to a home in Earthquake country can be very scary !!

A trip through the West Virginia  
countryside on Halloween can  
be very disconcerting !!

We sometimes just Dream our way to unlikely places, to see unlikely sites, like....

Those giant Bears, fishing for salmon in their snorkeling gear !!

**A visit to a seaside town, with  
very interesting architecture !!**

Of course, we Travel the world  
in our dreams, to many familiar  
places, such as....

France, where we see the Annecy  
River, with its' lovely village  
scenes along its' banks !!

Paris, with spring time views  
of the Eiffel Tower !!

We even Dream of traveling to  
China, where we might visit well  
known world sites, like...

The Great Wall, which we must have  
visited during the year of the  
RAT, in this image !!

**The Li River, with many precipitous peaks and beautiful vegetation !!**

Mickey and I, of course, travel  
the entire USA, with dreams of....

A lovely farm in a mountainous  
valley in Appalachia !!

A lake scene in up-state  
New York !!

**The many frigid lakes  
in Minnesota !!**

**The entrance to Waipio Valley,  
on the Big Island !!**

**A picturesque chapel in Kona !!**

**The beautiful views from the  
South Rim of the Grand  
Canyon, in Arizona !!**

The unique city and mountain  
views of Seattle !!

The many subway entrances  
in Manhattan, NYC !!

**We even took a walk across  
the Brooklyn Bridge...**

... to visit our friends at the  
**ART HOUSE COOP** in Brooklyn !!

And of course, we do plenty of  
Dream travel through our home  
state of California, with visits  
to places like....

The amazing mountain views  
from Yosemite Valley !!

**The Mission at San Juan Capistrano,  
waiting for the swallows to return !!**

And of course, a wild ride down  
the hills of San Francisco,  
in a jerky Cable Car !!

And the beautiful views of the  
Golden Gate Bridge !!

**BUT WAIT !!! We don't have  
to dream-up these trips in  
San Francisco. That's our home  
town, where Mickey and I love to  
wander the hills and take in the  
sites for real !!! We always see  
things like....**

**A view of the City Skyline from  
Treasure Island!!**

**The Golden Gate Bridge, from the  
park in front of the Legion of  
Honor !!**

The old ships parked at  
Aquatic Park !!

But after all our great times in  
San Francisco, we always return to  
our "Dream Travel", to visit unique  
and mysterious places in the  
unknown !!
