# There's an alien in my house!

Suné Nadine | Natalie Pierre-Eugene | Refiloe Moahloli

There's an alien in my house...  
We are under attack!

The walls are changing colour.

It must be the alien.

The air is getting warmer.

It must be the alien.

Strangers keep coming.  
It must be the alien.

We need protection.  
I build a fort.

Mom and Dad normally build with me,  
but these days I feel invisible.  
It must be the alien.

A child with brown skin and hair is lying in a bed with a yellow frame. The child is wearing a dark blue long-sleeved shirt and is tucked under a bright yellow blanket. A blue blanket with a pattern of yellow stars and red crescent moons is pulled up to their chest. The child's eyes are wide open, and they have a slightly worried expression. The background is white with hanging decorations of yellow crescent moons and blue stars on thin brown strings. The text "I hear a weird noise in the middle of the night." is written in a black, sans-serif font, curving over the child's head.

I hear a weird noise in the middle of the night.

It must be the alien.

We are under attack!  
I am an army of one.

1 step, 2 step...

I am the army.

3 step, 4 step...

Ready for battle.

5 step, 6 step...

Away with you, alien!

7 step, 8 step...  
I get closer.

A child with a surprised expression is looking out from a balcony with a red railing. In the background, a tiny alien is visible inside a grey box. The scene is set against a yellow sky with white clouds and various celestial symbols like a sun, moon, and stars.

9 step, 10 step...  
I am by its head.

Woah! I get a fright.  
It is tiny and it...

...looks like me?!  
How can that be?  
Is it really an alien?

Maybe it's a friend.  
Maybe it's my friend?

1 step, 2 step...  
We are now an army of two.
