**Have you ever seen a dust bunny?
They can look a bit funny!**

**And I have to confess,
they love making a mess!**

Fluff, Puff, and Stuff are their names

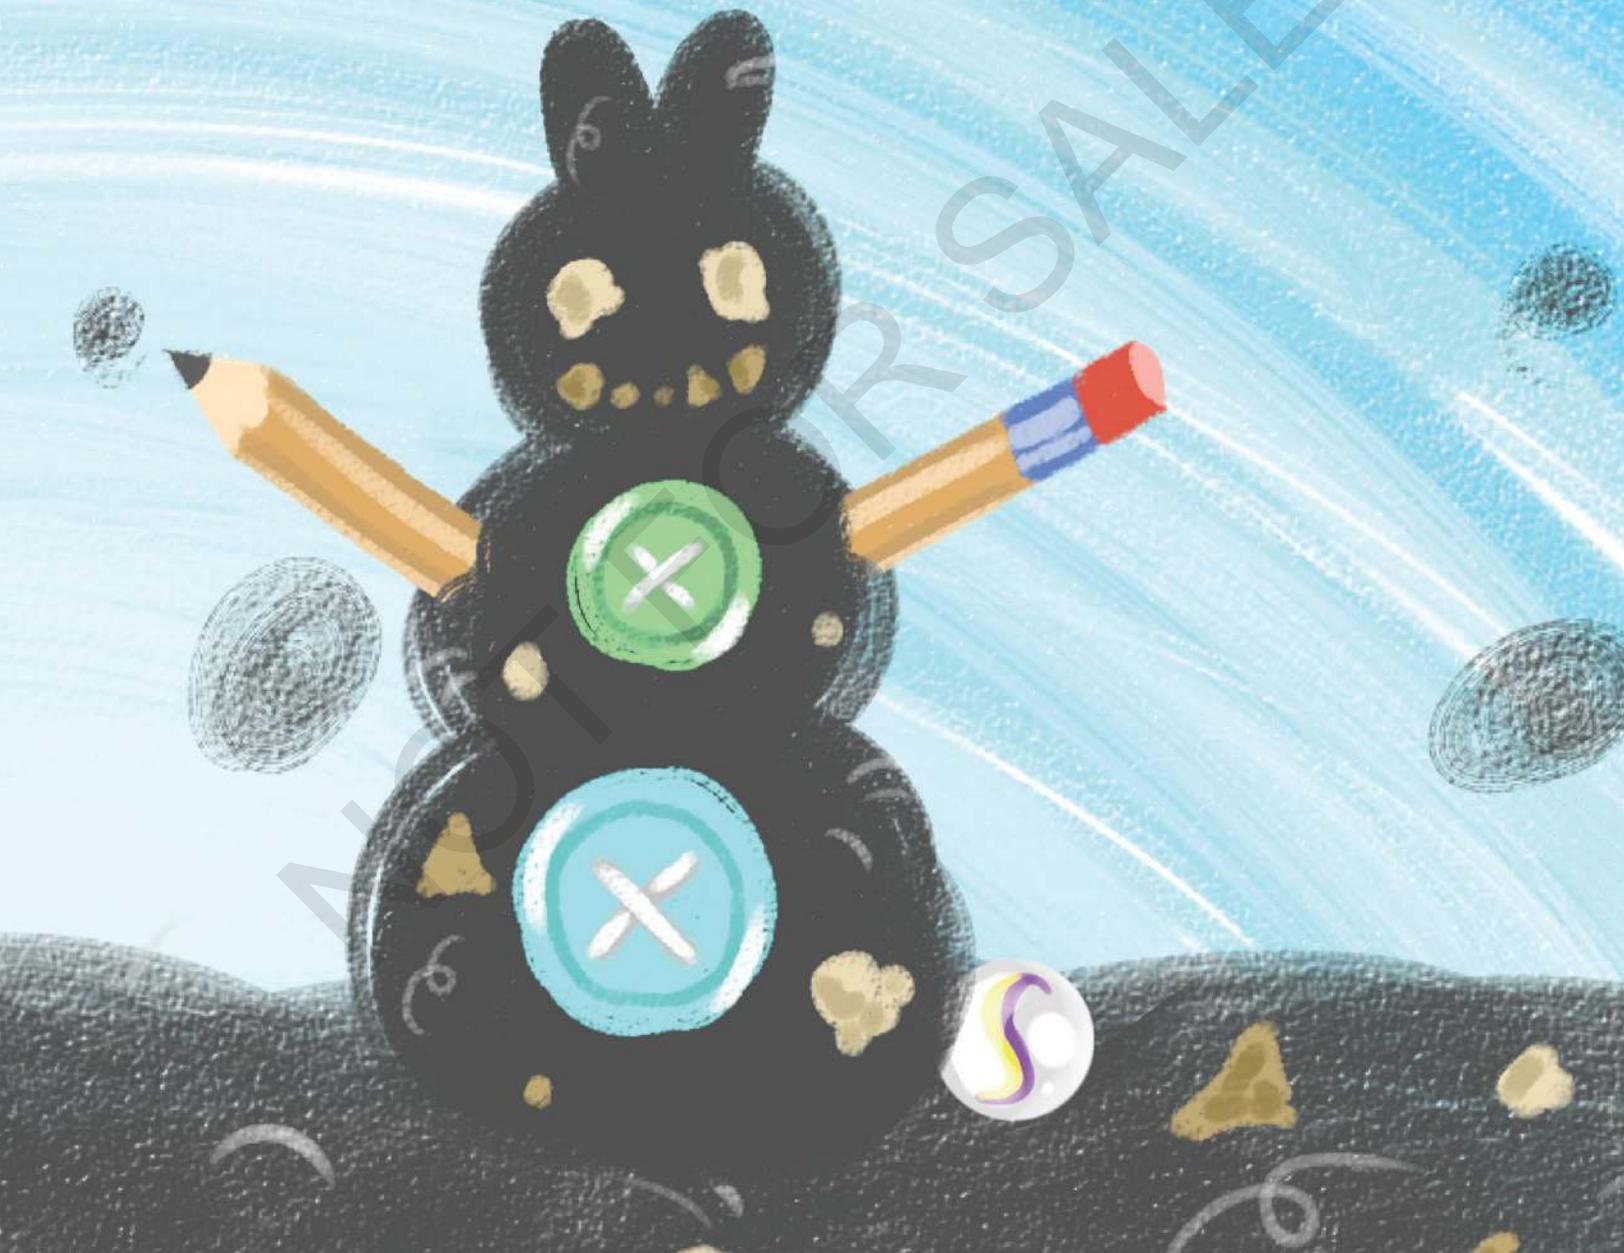

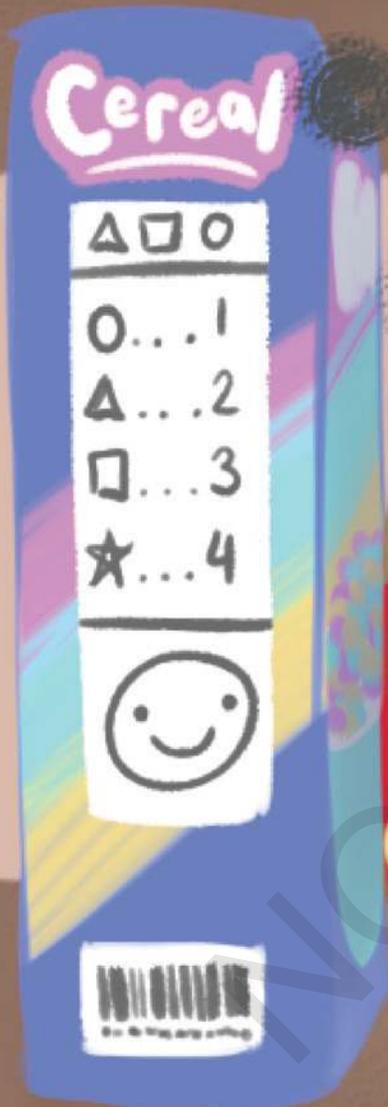

**and making dust is
one of their favorite games!**

**Dust swirls around wherever they go.
It covers the floor like flurries of snow!**

They like to snack on popcorn and chips,

and leave crumbly messes wherever they sit.

If you asked they would say
that they love to play
with other dust bunnies
in a crumb-filled buffet!

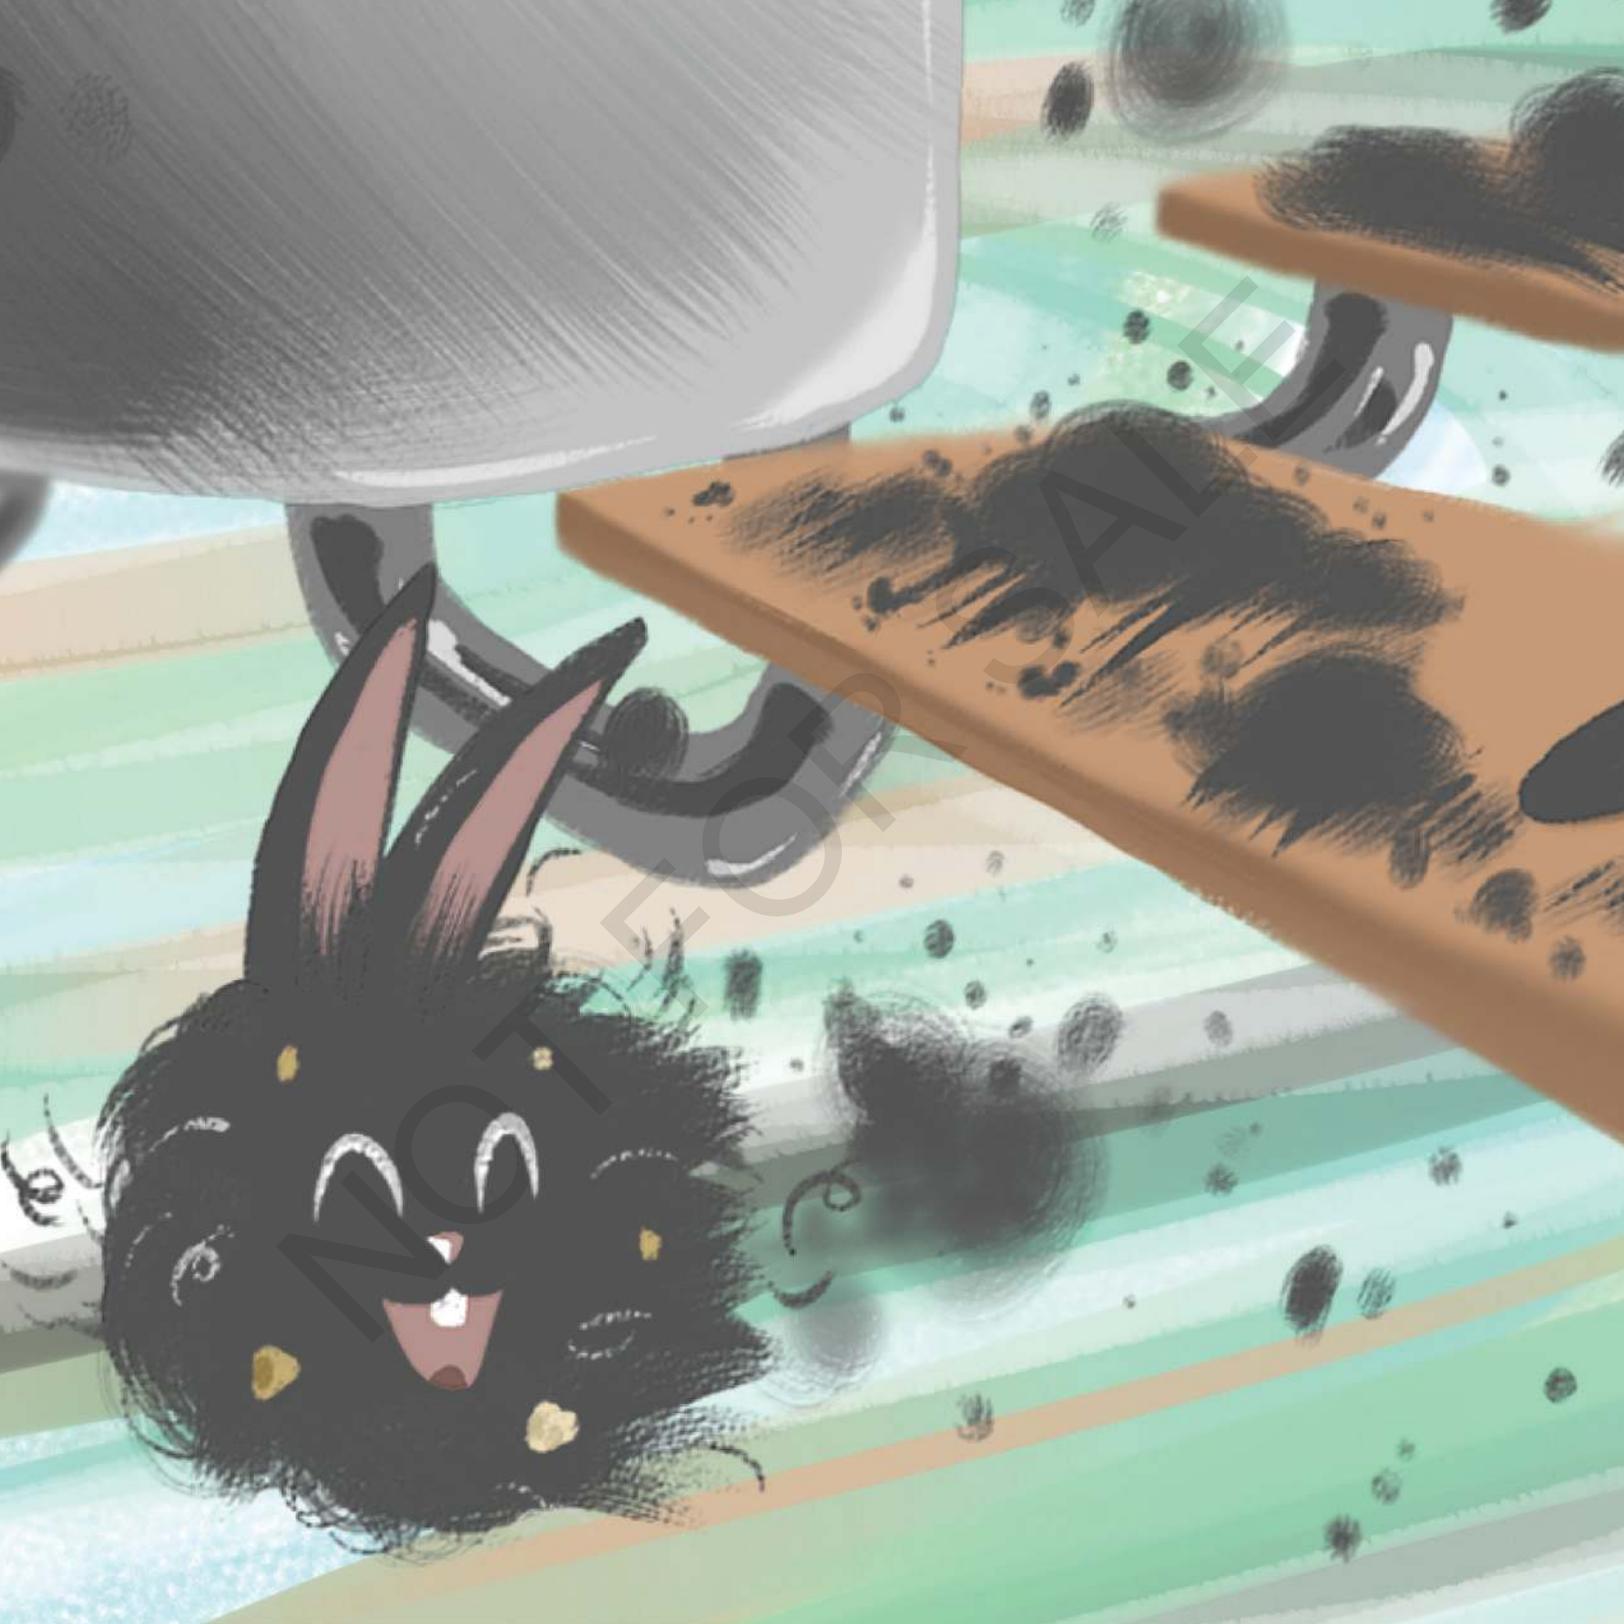

**In dusty corners
they find lost things,**

To make more dust
bunnies with beads,
buttons, and springs!

**Dust bunnies work hard to not be found,
to avoid ending up in the vacuum, sucked
up from the ground!**

**Sometimes they snooze,
all snuggled together.
Other times they're in drawers
cuddled up with your sweaters!**

**But when they're awake,
they play hide and go seek.
You won't hear the dust bunnies,
not even a peep!**

**If they make any noise
they might be found**

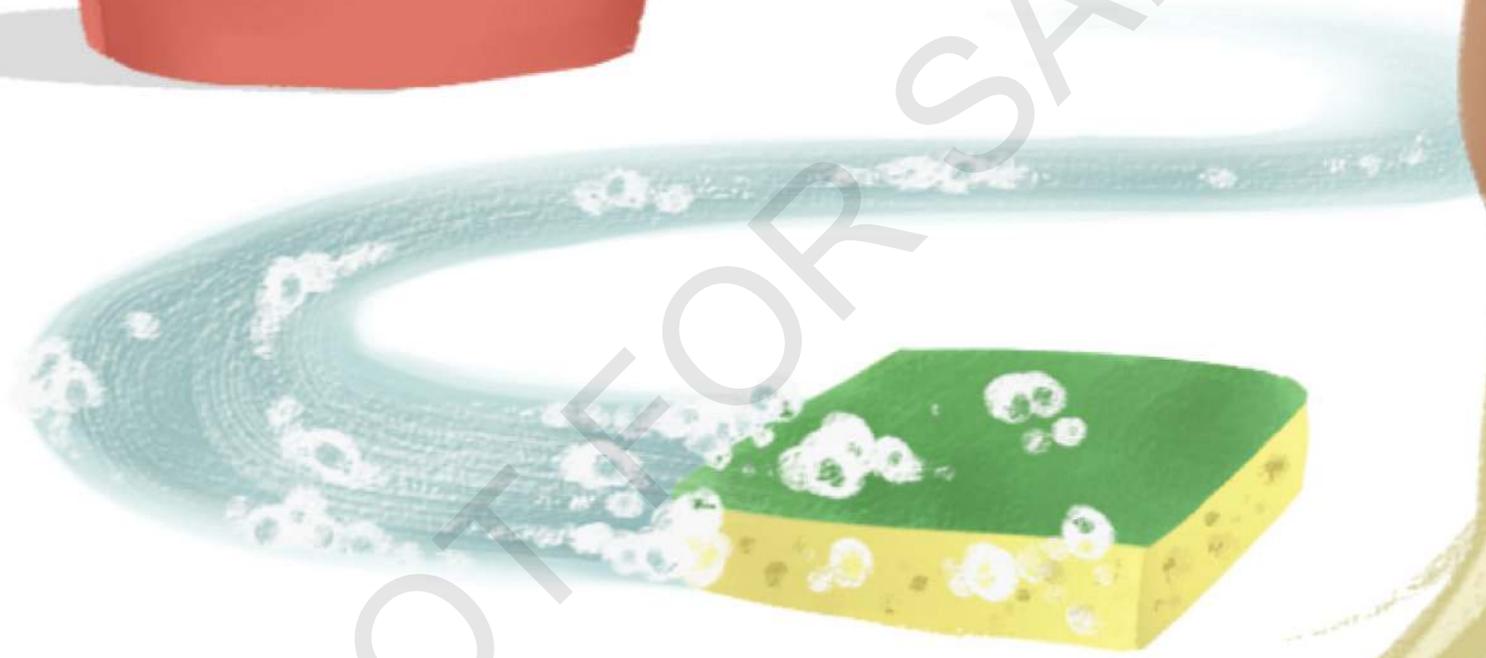

**by a kitty who will want
to chase them around!**

**Even worse than a kitty is a soaking wet mop!
A dust bunny's fur gets easily sopped.**

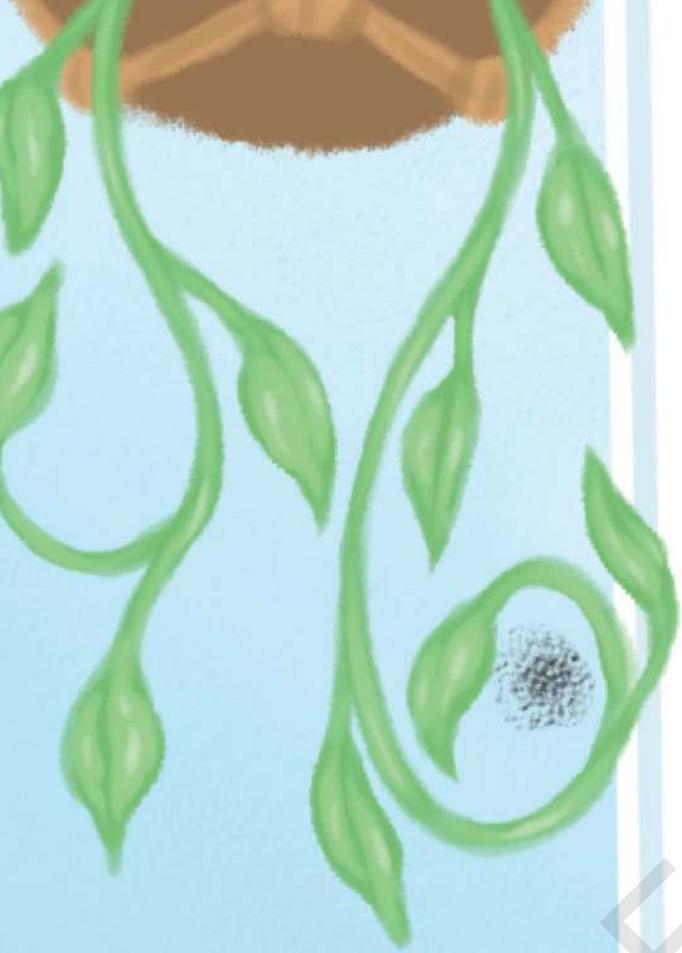

**Clean up dust bunnies
wherever they play...**

NOT FOR SALE

**...they'll be back with their friends
by the very next day!**

**For my parents
with all my love
(and deepest apologies)**

**Sincerely,
A Very Messy Child**
