

The Power Of

SOAP

By: The Bronchi Pair

Hello, this story tells the
tale of Leo as he learns
about the power and
importance of soap.

Leo's mom called
him to eat. He's
rushing back!

Leo's hands
are filled
with mud!

Muddy handprints fill
the room. His mom
tells him to wash his
hands with soap and
water.

"Why can't we just use water to wash our hands?" Leo asks. Leo's mom explains that soap kills germs.

Upon looking closer, Leo
realizes his hands were
filled with germs!

**"We're going to make
you sick!" The evil
germs say.**

Leo's scared, he starts using soap
to get rid of these germs.

Leo's mom explains that by using
● soap and scrubbing for 20
seconds, all the bacteria will
get killed.

**"Are all the germs gone?"
Leo asks. "Yes!" Leo's mom
exclaims.**

"Leo, let's wash our hands!
Remember the power of
soap?"

**"Yes!" Leo says. By using the
power of soap and scrubbing our
hands for 20 seconds we can keep
our hands clean!**

**Let's all use the
power of soap!**

About The Bronchi Pair

Inspired by how the human body has two Bronchi, The Bronchi Pair was formed. We wrote and designed "The Power of Soap" to promote hand washing and hygiene practices, for younger kids. We hope you enjoy our book as much as we did creating it!
