

*Every child should own a hundred books by the age of five. To that end, Book Dash gathers creative professionals who volunteer to create new, African storybooks that anyone can freely translate and distribute. # Alex's Super Medicine

Heather Jenkins • Kim Rex • Anita van der Merwe

I'm not feeling so good, Mom.

Let's visit Dr Bongi.  
She can help.

Drink this medicine, Alex.  
It will make you feel better.

But I don't like  
medicine. It's yucky.

# Eew, no way!

Jett, I'll let you  
play with my  
shiny red car if  
you drink my  
medicine.

How can I make my medicine  
taste better?

I know, I'll put it on my sandwich.

# Urgh!

Maybe I should hide it away.

???

I know, I'll hide it in the garden.

# Oh no!

I'd better try something else.

I know, I'll hide it in a bird's nest.

# Aaah!

Hmm, maybe I should  
just try it?

Wooh, this is  
actually so much fun!

I feel something...  
What's happening?

**I feel  
so much  
better!**

And all I had  
to do was drink  
my medicine.

You did it, Alex!  
We're so proud of you.
